MONTHLY SHOTGUN GENERAL MEETINGS

All members and nonmembers are invited to attend the monthly board meeting of the shotgun range. We discuss general shotgun range items such as safety, range development and capital projects, range cleanup, shooting events, etc. The meetings are held on the first Tuesday of each month, except July, at the Richland Public Library. Meetings start promptly at 6:00 PM and are usually over by 8:00 PM. Everyone is invited to participate, however, only TCSA members may cast a vote.
