This is a Points match for both the Northwest Precision Rifle League (NWPRL) and the national Precision Rifle Series (PRS). PRS rules will apply. Match fee is \$50, and includes both match and BBQ. Range will open 0700 for setup; registration starts at 0830, safety brief at 0930, and first shots down range at 1000.

Advance registration is required, paid by check or money order, and must be postmarked by 28 March, 2016. A maximum of 64 shooters will be accepted, and it's anticipated the match will fill quickly. All entries must be paid at time of registration. Late entries will only be accepted to fill out existing squads.

We are working with Kate Redell to pre-order long sleeve T-shirts sporting the TCSA Precision Rifle logo. They'll be available in both a light and dark color; I'm hoping for Sand and OD Green, but that may change depending on the hippies running the Anvil shirt factory. T-shirts are \$25 if you pre-order & pick them up at the match, or \$30 if you need them mailed.
Order early to ensure you get the sizes & colors you want.
