PRESIDENT'S REPORT

By: Mark Verwest

With the high temperatures here for the next couple of months, be sure to stay hydrated while at the Range. Bring plenty of fluids and remember to drink them. Hydrate or die!

The high temperatures are also **elevating the fire danger in our area**. It is a good time to make sure no one is shooting prohibited ammo which has a high risk of starting a fire on our Range.

Due to Extreme Fire Danger, 50 BMG is NOT allowed at HESA, Pistol Bays or Rose-Iris Range until further notice.

ATTENTION ALL RSOs: When exiting or entering the Main Gate, please make sure the gate closes behind you. There is about a 30 second delay on the sensor and we have had non-members driving in through the gate when someone has just driven off without ensuring that the gate has closed.

ROSE-IRIS RANGE
Hours of Operation
9:00 a.m. to 3:00 p.m.

Wednesday, Friday, Saturday, Sunday

~~ FIRE SEASON ~~

Please use Extra Caution!

VICE-PRESIDENT'S REPORT

By: George Hager

Howdy all! WOW, has it been toasty these last few weeks. It only made the upper 80's today as I am writing this Article, but somebody's wildfire is making it unpleasant this afternoon. With that in mind, take the weather conditions into account if you are going to venture out to the Range to spend a few hours engaged in our favorite past time. Appears as if the last week of July will be pleasant temperature-wise, but take note of the air quality index if your susceptible to elevated smoke levels. Remember to thank your RSO's for the service they provide keeping us safe and happy!

The Youth Shooting Committee will be holding their first **Youth Shoot** on **August 24** at the HESA Range. If you would like your youth to participate contact **Dave McNeal** at TCSAYouth@tcsa.info for additional information and a reservation (as participation will be limited).

For those that compete in our PRS-22 series of matches, the **August Match** will be a **PRS-22 NW Regional Qualifier**, open to all but expect it to be a little more challenging!

TCSA PUBLIC MEETING

THURSDAY, AUGUST 8
7:00 p.m.

RICHLAND PUBLIC LIBRARY
(Conference Rooms A & B)

TCSA FACILITIES

ROSE-IRIS RANGE – A 100-yard range with 20 covered firing points. This day use Range Safety Officer supervised facility is operated for public use on a regularly scheduled basis Wednesdays, Fridays, Saturdays and Sundays.

RIMFIRE PLINKING RANGE – A 50-yard 22-caliber Range Safety Officer supervised Shooting Range with reactive targets.

CENTERFIRE PLINKING RANGE – A 50-yard handgun pistol/revolver RSO supervised range with reactive targets for firearms using black powder or standard pistol cartridges.

COWBOY / PRACTICAL PISTOL BAYS – Ranges consisting of 13 bays of varying lengths designed to support a variety of action shooting disciplines such as; Practical (IPSC/ USPSA) 3-Gun Sports and Cowboy (SASS) groups.

Cowboy Action Rep. – **Charles Kissler** – 509.783.8505

Nelson Thomas – 509.727.4678

Practical Pistol Rep. – **Curt Berger** – 541.720.7826

1000-YARD, HIGH-POWER RANGE – A Range consisting of 100, 200, 300, 600, 800, 900 & 1000-yard firing lines that can support 20 firing stations on each firing line (utilizes manned target operation). The 400-yard line has 5 firing stations and the 500-yard line has 10 firing stations. This Range supports High-Power Rifle, Long Range PALMA and Precision Shooting Events of various disciplines, including 50-Caliber.

High-Power Rep. – **Mike Sowa** – 541.571.1892

HUNTER EDUCATION RANGE: This Range has been designed to support Hunter Education Training Classes and also has a practical field exercise area containing obstacles hunters could expect to encounter in the field. The covered firing line can be used independently by current RSO's as an overflow from the Rose-Iris Range and may be available for RSO supervised public event use when not being used for the conduct of Hunter Education Classes.

Hunter Ed. Rep. – **Randy Absolon** – 509.845.3632

PRIMITIVE USE RANGE: - A Range Area for muzzle loading and primitive Sagebrush Free Trappers reenactment events with parking, staging and various range areas.

Primitive Range Rep. – **Clint Bouslaugh** – 509.585.6415

SHOTGUN RANGE: Includes a set of two ATA regulation Trap Fields, two Skeet Ranges and a Sporting Clay Range supporting five firing stations and a Pattern Board.

Shotgun Rep. – **Mark Monopoli** – 509.531.6929

“WELCOME” NEW MEMBERS

Welcome! In this Newsletter you can find the contact information for the Board Members and above you can find contact information for the different Ranges. The Ranges were built and are maintained by volunteers. We encourage you to get involved and be a part of TCSA.

New members from this past month should have already received their membership card(s). If you have not received your card, contact **Sue Verwest** at membership@tcsa.info or 509.735.1662.

Check out our TCSA web site www.tcsa.info for a variety of information. The Newsletter is posted on the web site the beginning of each month.

HUNTER EDUCATION AND SAFETY ASSOCIATION

By: **Randy Absolon**

Registration for our **August 10** evaluation for students who have completed the Online Course opened on July 22. We will also conduct evaluations on **September 7** and **September 28**. Registration for those classes and classes offered by other instructors can all be found on the WDFW website. As Fall approaches, classes get harder to find and usually fill up quickly so you may have to travel farther to get into a class that fits your schedule. **The August and September Classes will be the last ones we offer in 2024.**

RSOs using the HESA Range are expected to sign in at the Rose-Iris Range before going over to the HESA Range to shoot. You are also expected to clean up when you are done shooting, including returning target stands to the Rose-Iris Range House and picking up brass.

Always remember to treat every firearm as if it was loaded, control the direction of the muzzle, be sure of your target and what lies beyond it, keep your finger off the trigger until you are ready to shoot and avoid alcoholic beverages before and during shooting.

If you have questions about our Hunter Education Classes contact me at: randyabsolon@gmail.com.

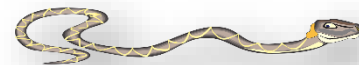

Hearing and Eye protection required when shooting!

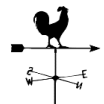

RATTLESNAKES

Watch where you step and when you reach for things. Be aware of your surroundings.

WEATHER CONDITIONS at the Range can be found on our homepage – www.tcsa.info

CHIEF RSO REPORT

By: Mike Ensminger

We just completed our last scheduled RSO Class, but will schedule another when we see enough interest to make it worthwhile.

Please email Dan Martini (dantini@charter.net) with your membership number to get on the list for notification when we schedule a Class.

If you can only attend on a Saturday (or even if you would just prefer it), make that clear in your email. When we have some interest and the weather cools down, we will schedule a Saturday RSO Class.

RSO Questions / Concerns
Chief RSO - Mike Ensminger
chiefrso@tcsa.info or 509.521.9628

ADVANTAGES OF BEING A RSO

To become a TCSA RSO, you need to have and maintain your TCSA Membership, complete an 8-hour Class and volunteer to stand 3 days per year at the Rose-Iris General Purpose Range on a Wednesday, Friday, Saturday or Sunday. You choose which of those three days you will be able to meet.

The advantages of being a RSO and obligating yourself as a volunteer at TCSA means that on days when the Range is not open to the general public - YOU - as a RSO can use the Range. **Having gone through the RSO Training Class and volunteering your time you are able to go to the Range any time you like!**

For more information and to get your name on the list for the next RSO Class see the Article on Page 3 and contact Dan Martini at dantini@charter.net.

ALL MEMBERS MUST show a current **Membership Card** to the RSO on duty upon arrival at the **Range**. Membership Cards need to be shown at **all Ranges** and **all Events** or you will be required to pay the non-member Range Use Fee. **EVERYONE must sign-in!**

OPPORTUNITIES FOR YOUTH SHOOTING SPORTS TEAMS AND CLUBS

By: Dave McNeal

We will sponsor an Event for young shooters at the Hunter Education Safety Association Range **Saturday, August 24**, starting at 9:00 a.m.

WHO SHOULD ATTEND: Youth aged 10 to 18 and their adult supervisors.

The event is designed for youth who:

- * Are already familiar with firearms handling and safety protocols
- * Understand the concepts of sight picture and trigger control
- * Are interested in participating in organized shooting sports events
- * May wish to become members of a sport shooting club
- * Can attend accompanied by an adult supervisor

This is **not an Event designed for non-shooters or beginning shooters**. We will plan subsequent events to prepare beginners for participation in shooting sports.

NATURE OF THE EVENT: This Event will be limited to .22 rimfire rifles. Either metallic or telescopic sights are welcome. Shooters may bring their own family's firearms and ammunition. TCSA loaner rifles and ammunition will also be available. Eye and ear protection is required and will be available on loan if you do not have your own.

THE EVENT WILL INCLUDE:

- * A safety briefing.
- * A course of fire at paper targets at set distances of 25 and 50 yards.
- * An opportunity to observe the Cowboy Action Shooting and the 3 Gun Match which will be held in the pistol bays.
- * A discussion period for youth to express their interests in firearms and shooting sports and for adults to provide input on desired events
- * A drawing for a RMSF hat.

PREREGISTRATION IS REQUESTED TO ENSURE ADEQUATE RESOURCES ARE AVAILABLE:

Please provide the following information by email to TCSAYouth@tcsa.info or text to 509-366-6879 not later than Sunday, August 18.

Number of shooters

Number of rifles you will bring

Name of adult who will supervise shooter(s)

Contact information for adult (phone/text or email or address)

RATTLESNAKE MOUNTAIN STEEL SHOOTERS

By: Mike Ensminger

38 guns were represented at the **July Match** and we must have been REALLY motivated to get off the Range before the heat of the day, as were pretty much packed up and sitting in the shade by noon.

We are hoping for reasonable weather in August and will kick things off at 9:15 a.m. as usual. We do all match sign-ups at the Range, but will happily pre-squad you if you send us an email with names and number of guns to mikeberta4@gmail.com.

Remember, anyone under 18 shoots free, although I guess someone does have to buy the ammo.

PRIMITIVE RANGE

By: Clint Bouslaugh

Our next scheduled shoot will be on **August 17** from 9:00 a.m. until noon.

Come on out and enjoy the morning with us.

As a reminder, due to the potential for fires from excess powder or a hot patch, the **Primitive Range will be closed** during extreme fire danger conditions.

COWBOY ACTION

By: Mike Ensminger

We had 19 shooters show up for the **July Match** and for the first time in a while the temperature peaked in only double digits.

Not sure what to expect in August, but we will be out there again on **August 24**, shooter's meeting will be at 9:00 a.m.

We also have a **Wild Bunch Match** planned for the following weekend, **August 31** starting at 9:00 a.m. You can plan on 6 stages of shooting, with around 50 Rifle, 40 Shotgun and maybe 200 pistol rounds. Wild Bunch now allows any SASS legal shotgun and .38 caliber lever guns, and if your 1911 happens to be a 9mm or packing a bunch of modern modifications, we even have a category for that. Still lead bullets only, though. Contact **Mike Ensminger** if you have any questions at 509.521.9628.

RECREATION CONSERVATION OFFICE (RCO) VISIT

By: Ron Jorgensen

On Thursday July 25 the **Recreation Conservation Office Board** toured the Tri Cities Shooting Association facilities. The RCO is responsible for providing grants to firearms facilities. The TCSA has received several grants over the years. We received assistance for the Shotgun Facility, the Hunter Education and Safety Range, Rose-Iris paving and range house expansion. They also provided funding for the road to High-Power.

During their visit we provided them with a demonstration of the Trap and Skeet Ranges. **Stu Bruce** and **Mike Inglima** demonstrated Trap and **Phil Volkman** and **Rich Poehls** demonstrated Skeet.

The board members were very impressed with range and facilities that we have received RCO funding. We are currently using RCO funding for a new **Smallbore Range** and recently completed the Rose-Iris parking lot paving project.

A new grant cycle is beginning soon and the TCSA will be looking at projects that might be eligible for a grant.

KEEP THE RANGE CLEAN

Keep **YOUR** Range clean of trash and spent cartridges. Garbage cans are available. Please be sure the enclosure tops are closed so the garbage can't blow out. Buckets are provided for spent cartridges.

Take a moment to clean up after yourself when you are done shooting.

Check out the "For Sale" items on our web-site www.tcsa.info

HIGH-POWER

By: Dave Baalman

Summer is most assuredly here. Just in case you haven't noticed the smoke or all the news articles about the whole state being on fire, I will throw out the standard warning about being fire safe. **Stay on the gravel roads, follow the ammo requirements and use common sense.** While you are using that common sense about the fire hazard, use it on your own needs too, **keep hydrated, don't forget the sunscreen, etc.**

Schedule wise for August it is pretty Smallbore heavy. On the Centerfire side of things, we have got a reduced yardage across the course match on **August 31** and that is it. For Smallbore we have got a **50/100 Yard Dewar Match** on **August 6**, a **Vintage Smallbore** on **August 8**, a **50 Yard USBR** on the **13th**, a **50 Yard ARA** on the **15th**, a **100/200 Yard Smallbore** on the **17th**, a **PR 22** on the **18th** and a **100 Yard Mini-Palma** on the **27th**. For all you **High-Power RSOs** out there, there are 5 Fridays, 3 Saturdays and 3 Sundays in August with nothing on the schedule. The Range is all yours, do not forget to sign in and pay your day use fee.

Looking back at the past month, we had a 2-day Match at the end of June. As predicted the big winner was the state junior coach **Michael Storer** on Saturday. Sunday saw Michael win again, but Vancouver BC's **Michael Park** took home the 6 leg points toward his Distinguished Rifleman badge. For both the July 13th **V2 Points Series Match** and the July 14th **Reduced Yardage Match**, turnout was low enough due to the 3-digit temperatures that both were declared a practice and no scores were recorded. So, I guess that means if you showed up and survived or if you stayed home in the AC, consider yourself a winner!

On the Smallbore side, we had a **Smallbore Dewar** on July 2. Excellent shooting was on display with all competitors posting aggregate scores better than 90%. Match winner was **Brandon Tinker** with a 38-33x. **Mike Bunch** and **Glen Buxton** ran an X-count race for 2nd with Mike edging out Glen with a 397-30x over a 397-28x respectively.

For the July 4 **Vintage Smallbore Match**, the weather was just about ideal and the July 4th Holiday allowed several folks who don't normally shoot this Match to come out. Welcome! There were many excellent scores, with **Glen Buxton, Russ Hammond, Sean Reffalt** and **Phil Smith** all shooting clean raw scores on both targets. But the shooters final places highlight the tactical decision between shooting iron sights vs scopes (with a -3 point/card handicap) in this Match. **Glen Buxton** won the Match with a score of 400-28X and **Mike Bunch** won the high card score with 200-17X.

For the July 9 **USBR Match**, conditions were just about ideal again, with temperatures in the mid 70°F's and breezes just about nil. **Ben Cook** had a standout day, posting the high card so far this year and setting a new all-time record for this Match by 1 point and 8X's with a 488-18x! Congratulations Ben!

At the July 11 **ARA Match**, Rattlesnake Mountain Shooting Facility winds returned to form for the monthly non-sanctioned ARA Match. With winds swirling between 5-13 MPH, and a high gust of 17 MPH, most shooters had the common sense to remain at home. **Mike Bunch** cruised to an easy win, with a high card of 2150-9X and an aggregate of 4125-15X.

And finally, the July 23 **Mini-Palma Match** was attended by twelve shooters including one junior. The wind was mild and shooters came up with great scores. **John Julian** shot a perfect score of 450 and 35 X's. John was followed closely by **Tom Walchuck** and **Jack Smith** with scores of 449-36x and 449-30x respectively.

The full schedule is available at <https://www.tcsahighpower.org/>. You can see a full description of each match on our website as well <https://www.tcsahighpower.org/match-descriptions>

PRACTICAL PISTOL

By: Pam Harper

USPSA National Range Officers Institute, **NROI**, has a website that has valuable information about the Rules and interpretations of the Rules. Check it out at <https://nroi.org>

NATIONAL NEWS: www.uspsa.org

The dates for USPSA Nationals 2024 can be found here <https://uspsa.org/nationals>

The **USPSA Rules:** as of February 2024 <https://uspsa.org/viewer/2024-USPSA-Competition-Rules.pdf> can be downloaded to your phone.

The USPSA Rules Change Log is located here <https://uspsa.org/viewer/Competition-Rules-Change-Log.pdf>

LOCAL NEWS:

EWPSA hosted a Level 1 Seminar (RO Class) July 20 - 21. Thank you to all that took the Class. Congratulations to those who have already passed their exams! These people will be keeping our local Matches running and supporting our future major Matches.

All **EWPSA Match results** can be found here (Practiscore.com): <https://bit.ly/EWPSAscores>

The **USPSA Monthly Match July 21** had 68 competitors with 6/9 USPSA Divisions represented. The Division winners were: Open: **Aaron Laws** (overall winner); Carry Optics: **Rachel Harper**; Limited: **JD Thomas**; Limited Optics: **David Blosser**; PCC: **Alex Nelson**; and Production: **Latu Moala**.

The **EWPSA Summer 3-Gun Match June 27** had 16 competitors with 3 Divisions represented. The Division winners were: Open: **Matt Newburn** (overall winner); Limited: **N. Espitia**; Modern Tactical: **K. Crossley**.

COMING UP:

All upcoming EWPSA Matches and Registrations can be found here: <https://bit.ly/EWPSAmatches>

EWPSA will be hosting:

EWPSA Carbine Match August 10. Sign-in begins at 9:00 a.m. Shooting begins at 9:30 a.m. The Match cost is \$25. More details on Practiscore.

EWPSA USPSA Monthly Match August 18. Gates will open at 9:00 a.m., shooters meeting at 9:30 a.m., shooting begins at 10:00 a.m. The Match cost is \$20 members / \$25 non-members. More details on Practiscore.

EWPSA Summer 3-Gun Match August 24. Sign-in begins at 9:00 a.m. Shooting begins at 9:30 a.m. The Match cost is \$25. More details on Practiscore.

SCSA Steel Challenge Match September 8. Gates will be open by 9 a.m. and there will be a shooters meeting at 9:30 a.m. We start shooting after the shooters meeting. The Match will be \$20 for non-members, \$15 for TCSA members. Shooting a second gun is \$5. Refunds will be given for cancellations minus \$2.

Wild Bunch

SHOTGUN REPORT

By: Mark Monopoli

Happy dog days of summer everyone. I am not sure I know exactly what that means, or if I am using that saying correctly, but it sure seems to fit with the weather we are currently having. Try to stay cool out there these next couple of weeks.

I usually wait until the end of the Shotgun Report to bestow the “**The Hero Volunteer of the Month**”, but this month is a little different. Longtime Shotgun member **Ron Geiger** passed away the last weekend of July. Ron had stepped away from his usual weekly appearances a few months back due to some health issues he was facing. Ron was 83 years old and will be missed by so many of us.

Services will be held on Tuesday, August 6 at Einan’s Funeral Home. There will be a Rosary at 11:00 a.m., with services at 11:30 a.m.

Ron has been a staple of the Shotgun Range for a lot of years. He would tell me about coming out to shoot when it was just the old shack and everything was mostly dirt. Ron was there through all of the amazing improvements we all currently enjoy at the Range. Ron took it upon himself to be the keeper of the lawns at the Range. He would spend hours upon hours adjusting sprinklers to make sure dry spots were kept to a minimum. Picking up target chips off of the Skeet fields, sweeping the sidewalks next to the houses, emptying garbage cans, hauling firewood to Skeet 1, cleaning up the nails from burning pallet scraps, spraying weeds and so many other things that it is hard to keep track of.

While I don't have specific numbers to back it up, I am sure Ron has more hours spent at the Shotgun Range than any other person that I know of. I can guarantee Ron has more hours on Skeet 1 than any other person, ever. Ron is synonymous with the #1 Skeet Field. Many years ago, we had a President of the Shotgun Range much wiser than myself. **Dave Otto** had the genius idea to dedicate Skeet 1 as Geiger Field way back in October of 2017 in honor of Ron and everything he did for Shotgun. I remember this because it was part of the very first Shotgun Newsletter that I ever wrote. The plaque is about halfway down the rock wall on the north end of the field. It is worth a visit and maybe a word of thanks to our friend Ron.

Ron was a consistent target of mine as I wrote the Shotgun Report over the years, most times he would take it in stride and we would laugh about it. Other times it would take a few weeks for him to resume talking to me. It's a moot point now, but never ever, ever, admit to messing with his settings on the sprinkler timer. That my friend gets you 4-5 weeks of the silent treatment.

The number of people who have emailed me to share how Ron helped them at the Range goes to show just how special of a man Ron was.

If I had a mind's eye picture of Ron it would be in the winter, him standing next to the fire barrel wearing his black down jacket with his shooting vest over the top of it. Hands in jacket pockets and wearing his perfectly placed ball cap, looking ready to shoot.

We are all going to miss Ron, he was easy to talk to and would always be the first person to help a new shooter learn the game of skeet he loved so much. Ron, like so many of our wonderful volunteers over the years, deserve countless accolades and many thanks for helping our little Shotgun Range be all it can be. In truth Ron probably deserves a book to be written about how much he has done for the Range. Being the humble man that he was, I am sure he'd be happy with all of us taking a moment to think of him.

How do we honor Ron as we move forward? One sure way we can all do that is to keep the Shotgun Range looking good through volunteering to help do all the things Ron did. One thing Ron always enjoyed was doing a project with others. When you look at all the time and effort he put in, it really is amazing one man did so much. If we can keep Shotgun looking as good as Ron did, I think he will be happy with all of us.

I am sure we will be coming up with another way to honor Ron and when we do, I will post it here and at the Shotgun Range.

It is a sad day when we lose someone we are close to. Take comfort in remembering all of the good times we had with Ron and know you can always visit him at **Geiger Field** which was established back in October of 2017. God speed Ron.

SHOTGUN RANGE HOURS

Wednesday – 9:00 a.m. to 7:00 p.m.
Saturday and Sunday -- 9:00 a.m. to 3:00 p.m.

Current weather conditions at the Range can be found at www.tcsashotgun.com and www.tcsa.info.
