PRESIDENT'S REPORT

By: Mark Verwest

With winter approaching, there could be some weather-related Range closures and/or cancellations of Events. If the weather gets bad, check our Web Page and Facebook page for any updated Range closures before heading out to the Range and be sure to check the Discipline links on our website for the most up to date discipline events and/or cancellations.

We have lots of Events scheduled for this year. Take a look at the calendars; I am sure you can find something interesting and fun!

Happy New Year!

TCSA PUBLIC MEETING

WEDNESDAY, JANUARY 7

6:30 p.m.

NOTE THE DAY AND THE TIME

RICHLAND LIBRARY
(Conference Room A & B)

ROSE-IRIS RANGE

Hours of Operation
9:00 a.m. to 3:00 p.m.

WISHING YOU AND YOUR FAMILY
A HAPPY NEW YEAR

MEMBERSHIP RENEWALS

By: Sue Verwest

With the start of a New Year comes the start of "Renewal Season." We currently have ~ 2,500 members! To the members who have already sent in their renewals for this coming year - thank you! I will start sending out new membership cards about mid-January.

Membership Renewal forms can be found on our web site www.tcsa.info under the tab "Join/Renew". Membership Renewal Forms are also available at both the Rose-Iris Range and the Shotgun Range.

Adult Memberships - \$ 75.00
Spousal Memberships - \$ 115.00

As in the past, we are giving away an early renewal prize. You will **double** your chance of winning if your renewal is post marked / received by **FEBRUARY 28**.

You will get a single entry if your renewal is post marked / received during the month of MARCH. The drawing for the prizes will take place at the General Membership Meeting in April.

With the winter upon us, be sure to **check the road conditions** before driving out to the Range. **If we need to close the Range due to weather conditions we will try to get it posted on the Website and Facebook as soon as possible.**

TCSA FACILITIES

ROSE-IRIS RANGE – A 100-yard range with 20 covered firing points. This day use Range Safety Officer supervised facility is operated for public use on a regularly scheduled basis Wednesdays, Fridays, Saturdays and Sundays.

RIMFIRE PLINKING RANGE – A 50-yard 22-caliber Range Safety Officer supervised Shooting Range with reactive targets.

CENTERFIRE PLINKING RANGE – A 50-yard handgun pistol/revolver RSO supervised range with reactive targets for firearms using black powder or standard pistol cartridges.

COWBOY / PRACTICAL PISTOL BAYS – Ranges consisting of 13 bays of varying lengths designed to support a variety of action shooting disciplines such as; Practical (IPSC/ USPSA) 3-Gun Sports and Cowboy (SASS) groups.

Cowboy Action Rep. – **Charles Kissler** – 509.783.8505

Nelson Thomas – 509.727.4678

Practical Pistol Rep. – **Rich Nelson** – 509.521.6529

1000-YARD, HIGH-POWER RANGE – A Range consisting of 100, 200, 300, 600, 800, 900 & 1000-yard firing lines that can support 20 firing stations on each firing line (utilizes manned target operation). The 400-yard line has 5 firing stations and the 500-yard line has 10 firing stations. This Range supports High-Power Rifle, Long Range PALMA and Precision Shooting Events of various disciplines, including 50-Caliber.

High-Power Rep. – **Mike Sowa** – 541.571.1892

SMALLBORE COMPETITION RANGE – A 100 Yard Range with 20 firing points. The SCR is designed for optimum support of and exclusively for .22LR (smallbore) Competition Events. The Range is only to be used for Smallbore Events scheduled and supervised by a TCSA trained Match Director. No casual use or individual practice is allowed. Future plans include covered firing points and shooting benches.

High-Power Rep. – **Mike Sowa** – 541.571.1892

Range Use and Scheduling – **Ron Jorgensen** – 509.554.0048

HUNTER EDUCATION RANGE: This Range has been designed to support Hunter Education Training Classes and also has a practical field exercise area containing obstacles hunters could expect to encounter in the field. The covered firing line can be used independently by current RSO's as an overflow from the Rose-Iris Range and may be available for RSO supervised public event use when not being used for the conduct of Hunter Education Classes.

Hunter Ed. Rep. – **Randy Absolon** – 509.845.3632

PRIMITIVE USE RANGE: – A Range Area for muzzle loading and primitive Sagebrush Free Trappers reenactment events with parking, staging and various range areas.

Primitive Range Rep. – **Clint Bouslaugh** – 509.585.6415

SHOTGUN RANGE: Includes a set of two ATA regulation Trap Fields, two Skeet Ranges and a Sporting Clay Range supporting five firing stations and a Pattern Board.

Shotgun Rep. – **Mark Monopoli** – 509.531.6929

HUNTER EDUCATION AND SAFETY ASSOCIATION

By: **Randy Absolon**

Our January – February 2026 **Traditional Class** will start on **Tuesday January 20** and will then meet on Monday and Thursday evenings through **February 5**. We will also have a Saturday morning Range Session on **January 31**. Registration for this Class opened on December 22 on the WDFW website and will show up as Richland Recreation. Class size will be limited to 20 students.

RSOs using the HESA Range are expected to sign in at the Rose-Iris Range before going over to the HESA Range to shoot. You are also expected to clean up when you are done shooting, including returning target stands to the Rose-Iris Range House and picking up brass.

Always remember to treat every firearm as if it was loaded, control the direction of your muzzle, be sure of your target and what lies beyond it, keep your finger off the trigger until you are ready to shoot and always check every cartridge to make sure it is the correct ammunition for your firearm.

If you have questions about our Hunter Education Classes, contact me at: randyabsolon@gmail.com.

“WELCOME” NEW MEMBERS

Welcome! In this Newsletter you can find the contact information for the Board Members and above you can find contact information for the different Ranges. The Ranges were built and are maintained by volunteers. We encourage you to get involved and be a part of TCSA.

New members from this past month should have already received their membership card(s). If you have not received your card, contact **Sue Verwest** at membership@tcsa.info or 509.735.1662.

Check out our TCSA web site www.tcsa.info for a variety of information. The Newsletter is posted on the web site the beginning of each month.

WEATHER CONDITIONS at the Range can be found on our homepage -

Hearing and Eye protection required when shooting!

CHIEF RSO REPORT

By: Mike Ensminger

When entering or exiting through the motorized gate at the Rose-Iris Range, please **wait for the gate to close behind you** and verify that anyone passing through with you is an RSO.

Although memberships do not expire until March 31, RSOs that renew early will gain access to the Duty Sign Up Calendar much sooner. Sue will start processing renewals by mid-January, so get your renewal in early if you want the best selection of available duty dates in the 2026-2027 Duty Year.

As the end of the Duty Year approaches please make sure that any swap requests stay within the 2025 duty year (i.e., before 3/31/26). Not that we can't possibly deal with a swap that crosses duty years, but it does kind of complicate things for those of us that keep track of this stuff.

If you happen to be using produce as targets at the **Pistol Bays** (yep, no rule against it...). Please clean up your mess when you leave. We have already established that the local wildlife do not enjoy pumpkin, watermelon and cabbage remains, so please do not assume they will clean it up for you.

RSO Questions / Concerns
Chief RSO - Mike Ensminger
chiefrso@tcsa.info or 509.521.9628

ALL MEMBERS MUST show a current **Membership Card** to the RSO on duty upon arrival at the **Range**. Membership Cards need to be shown at **all Ranges** and **all Events** or you will be required to pay the non-member Range Use Fee. **EVERYONE must sign-in!**

RSO Access Key Cards and RSO Badges are not to be used in place of or as a substitute for your Membership identification card.

KEEP THE RANGE CLEAN

Keep **YOUR** Range clean of trash and spent cartridges. Garbage cans are available. Please be sure the enclosure tops are closed so the garbage can't blow out. Buckets are provided for spent cartridges.

Take a moment to clean up after yourself when you are done shooting.

RATTLESNAKE MOUNTAIN STEEL SHOOTERS

By: Mike Ensminger

Our next **ISSA Match** will be **January 4**, weather permitting. Shooter's meeting at 9:15 a.m. If you want to make sure you can keep your group together, send us an email ahead of time (mikeberta4@gmail.com) with names and 1 or 2 guns each and we will pre-squad you.

All match scores are on Practiscore.com; look for Rattlesnake Mtn Steel Shooters

PRIMITIVE RANGE

By: Clint Bouslaugh

Well, we ended the year with a very windy shoot on December 20.

We are looking forward to the New Year. We will be holding our **Monthly Shoots** on the **third Saturday of every month** from 9 a.m. until noon.

Our **May shoot** will be our "Youth Introduction to Muzzleloading" event. This is a **FREE Event for kids** to learn about and shoot a variety of black powder firearms.

If you have any interest in muzzleloaders, drop by the Range on any open day and we will answer your questions and let you take a couple of shots.

Keep your powder dry and have a great new year.

COWBOY ACTION

By: Mike Ensminger

We plan to shoot right through the winter, but if the forecast looks particularly bad for Match Day, please check with us before making the drive to the Range (just in case we wimp out).

Our next **Cowboy Action Match** will be **January 24**, starting at 9 a.m.

Since there are 5 Saturdays in January, we also plan to have a **Wild Bunch Match** on **January 31**.

All our scores are posted on Practiscore.com. Search on Rattlesnake Gulch and you'll find them.

SHOTGUN REPORT

By: Mark Monopoli

Merry Christmas and Happy New Year everyone! 2025 is in the rearview mirror and 2026 is coming towards us like a truck with their high beams on! Dramatic, maybe, but it is what it is, and what it is, is a whole new year of shooting opportunities! I think that worked.

Year-end numbers are coming in and it looks like Shotgun will finish a few rounds short of what we did in 2024. While we still put up impressive numbers with 11,400 rounds thrown in 2025, we were down about 700 rounds from 2024. To break that down per discipline, we threw 6508 rounds of Trap, 4105 rounds of Skeet and 787 rounds of 5-Stand.

Our loss numbers were up slightly, which is the wrong way we want those numbers to be trending. As a friendly reminder, a token provides (25) targets to be shot, please refrain from shooting extra targets. A year full of extra targets makes a difference.

2025 was the first full year of our Monthly Non-League League shoots. After compiling all of the results for Trap and Skeet we need to recognize some High-Volume Shoots for the year. 5-Stand was not factored into this as "we" were a little lax with keeping track of results.

Each discipline, Trap and Skeet had two shooters compete in all (12) shoots for the year. No one shot in all (24) shoots though. In the 100 Bird Trap Events, **John Wilgus** and **Steve Williams** each shot at 1200 of the 1200 birds thrown. While in the 50 Bird Skeet events **John Dyes** and **Mark Monopoli** shot at 600 of the 600 birds thrown. Let these individuals serve as your shooting role models for 2026 and beyond.

Of course, this leads to the question of who was the High-Volume Shooter for 2025? Well, it pains me to say it, but **John Wilgus** wins that honor in that he only missed (2) of the Skeet shoots. In doing so John shot at 1700 of the 1800 birds thrown. Really? It isn't enough that he outright wins most of the shoots, we can't even beat him in sheer volume of targets? I mean it only takes attendance, not even any skill. Note to self, new goal for 2026.

TOP 5 HIGH SHOOTERS FOR LAST YEAR ARE:

John Wilgus	1700/1800
Mark Monopoli	1600/1800
John Dyes	1600/1800
Don Klages	1500/1800

The full list with everyone's averages will be emailed out shortly to shooters. This begs the question, should we have a Club Championship for 2026? Let me know your thoughts.

DECEMBER SHOTS AT RATTLESNAKE

- **January 4** **100 Bird Trap Shoot**
- **January 4** **Youth Trap Shoot Day**
- **January 11** **50 Bird Skeet Shoot**
- **January 18** **50 Bird 5-Stand Shoot**

Monthly Shoot winners for November are: Trap Shoot saw the return of the John & John show with **John Wilgus** taking the win and **John Dyes 2nd**. **Dawson Van Diest** and **John Wilgus** tied for the overall win for the Skeet Shoot with commanding 50/50 scores. We won't talk about **Monopoli** missing the last bird to score 49/50... damn it. The 5-Stand Shoot was cancelled due to the Christmas Shoot on the same day.

Shotgun had a triumphant return of the **Christmas Fun and Games Shoot** after having to cancel the Turkey Shoot in November. 50 or so shooters came out to enjoy the good weather and good company these shoots are known for. **BIG THANK YOU** to everyone who helped put it together. **Stu Bruce** was our fearless leader this time around with help from **Mike Tomlinson, Steve Williams, Don Klages, John Wilgus, David Russie, Chad Ungerecht, Rick Poehts** and others I am probably forgetting. The moral of the story here is that it was a very fun day of shooting and sometimes it takes a village to make it happen. Shooters came from far and wide, Chelan, Hermiston, Sprague, Yakima, Pendleton, Wenatchee, etc.

Want to receive **monthly emails** about **upcoming Events** and **Shotgun Range information**? Send me an email to president@tcsashotgun.com and I will add you to our list. Also keep an eye on our **calendar** at www.tcsashotgun.com/calendar

RSO Scheduler for Shotgun, David Russie has been sending out emails for getting **Shotgun RSOs Scheduled for 2026**. Reach out if you haven't received anything. You can reach **David Russie** at roscheduler@gmail.com or at 509-979-3664 call/text.

Have a great month everyone!

SHOTGUN RANGE HOURS

Wednesday, Saturday and Sunday
9:00 a.m. to 3:00 p.m.

Current weather conditions at the Range can be found at www.tcsashotgun.com and www.tcsa.info.

Thanks for reading! Feel free to drop me an email at mark.monopoli@outlook.com.

SAFE SHOOTING SPORTS OPPORTUNITIES FOR YOUTH

By: Dave McNeal

Free Trap Sunday will be at 12:00 Noon, **January 4**. Shooters under age 18, accompanied by an adult, can bring their shotguns and shells to the Rattlesnake Mountain Shotgun Range and learn about (or refresh their skills) with up to two rounds of Trap. **Each month in 2026 will feature one Free Shotgun Sunday for youth; alternating between Trap, Skeet and 5-Stand.** If you plan to attend and participate in this activity, please RSVP to president@tcsashotgun.com

Smallbore Rifle Matches will be **Second Saturday** and **Fourth Sunday of each month April through October--** Shooters under 18 are invited to participate in .22 Matches at the Rattlesnake Mountain Shooting Facility Smallbore Competition Range. Shooters must be accompanied by an adult. Loaner .22 rifles and ammunition can be made available. Descriptions of the Matches will be published as the season nears.

We are trying to organize a local group for **Youth Hunter Education Challenge (YHEC)**. This program is a natural follow-on for individuals 18 years old or under who may have already completed Hunter Education Training. YHEC features four responsibility events-- Hunter Responsibility Exam, Hunter Safety Trail, Orienteering and Wildlife Identification as well as four shooting events - .22 Rifle, Shotgun, Muzzleloader and Archery. The program includes local, state and national challenges. See more information at <https://yhec.nra.org/> and email TCSAYouth@tcsa.info if you would like to be involved in the program as a participant or a volunteer.

Introduction to Safe Shooting Sports, Marksmanship Training, Care and Appreciation of Firearms and Non-competitive Shooting Events are under consideration and may be offered if interest is evidenced by families with kids. If you wish to sponsor an event or have events that you would like to see happen, email: TCSAYouth@tcsa.info

HIGH-POWER

By: Dave Baalman

The end of the year has arrived and with-it decent shooting weather (so far). If you are a High-Power qualified RSOs and are heading out to the Range to try out that new toy Santa left in your stocking, you will be happy to know the High-Power Calendar is pretty much wide open for January. Make sure to put the bravo flag up at the highway gate and the east end of the pits, sign in and pay your day use fee.

If at some point the weather becomes less cooperative, watch your email and/or the website. We may have to close the Range to protect the roads if we get a big accumulation of snow.

Speaking of the Calendar, the 2026 schedule is up on the High-Power website. I would like to take a moment to thank everyone who helps put the schedule together each year. Coordination among different disciplines here at Rattlesnake and with other Ranges throughout the region, isn't a simple task. We always seem to have 1 or 2 conflicts, but with 52 weekends in a year, that is a pretty good batting average!

As I alluded to above, the only scheduled Matches in January are an **NRL 22 Match** on **January 11** and a **PRS 22 Match** on **January 17**. Both are at HESA so the High-Power Range will be open for all you High-Power qualified RSOs to have some fun!

The full schedule is available at <https://www.tcsahighpower.org/>. You can see a full description of each match on our website as well <https://www.tcsahighpower.org/match-descriptions>

PRACTICAL PISTOL

By: Pam Harper

USPSA National Range Officers Institute,

NROI, has a website that has valuable information about the Rules and interpretations of the Rules.

Check it out at <https://nroi.org>

TIDBITS: USPSA RULES - concerning the 'external safety'.

DQ offenses for not having the **Safety** on while in the holster or placed on an object. **SAFETY FIRST**, people!!!

10.5.11 Holstering or placing a loaded firearm, in any of the following conditions:

10.5.11.1 A single action self-loading firearm with the safety not applied. If the primary safety on the firearm cannot be engaged due to the design of the firearm and the hammer or trigger cannot be actuated in the condition the gun is in, the safety does not have to be applied. If the gun is completely empty, the safety need not be applied.

10.5.11.2 A double action or selective action pistol with the hammer cocked and the safety not applied.

10.5.11.3 A revolver with the hammer cocked.

All these conditions apply the entire time the firearm is in the holster or placed on an object as required by the Written Stage Briefing. See 8.1.2.5.

NATIONAL NEWS: www.uspsa.org

Mark your Calendars. The dates for **USPSA Nationals 2026:**

RSO TRAINING CLASS

By: Dan Martini

Our next **Range Safety Officer Class** will be held on **Friday, January 30** from 8 a.m. until 3 p.m. at the Shotgun Range House. To get your name on the Class roster, you **must be a current member of the TCSA**. If you can make the Class date and want to become a TCSA RSO, send an email message to dantini@charter.net with a YES and include your name and TCSA Membership number and I will add your name to the RSO Class list. I will send a reminder message a week before the Class date to those of you who respond.

ADVANTAGES OF BEING AN RSO

The advantages of being a RSO and obligating yourself as a volunteer at TCSA means that on days when the Range is not open to the general public - YOU - as a RSO can use the Range. Having gone through the RSO Training Class and volunteering your time you are able to go to the Range any time you like!

To become a TCSA RSO, you need to have and maintain your TCSA Membership, complete an 8-hour Class and volunteer to stand 3 days per year at the Rose-Iris General Purpose Range on a Wednesday, Friday, Saturday or Sunday. You choose which of those three days you will be able to meet.

For more information and to get your name on the list for the next RSO Class contact **Dan Martini** at dantini@charter.net.

LIFE / PATRON / BENEFACTOR MEMBERS

This is the time of year when the Life / Patron / Benefactor Members need to update their information if they have a RSO Endorsement.

The information that needs updating or confirmation is email address, phone number and mailing address. By updating this information, you will keep your **Access Key Card activated for 2026**. To update, complete a Membership Renewal form with the Personal Information filled in or email this information to **Sue Verwest** at membership@tcsa.info. Thank You!
