## PRESIDENT'S REPORT

By: Mark Verwest

At the **May General Membership Meeting** we drew a lucky winner from all the tickets given out during the **Early Renewal Membership** drive. The winner was **Roger Koontz** and he was elated to hear he was the winner of a new Ruger 10/22.

I would like to thank everyone who renewed early and wish them the best of luck in next years drawing. As I have said many times in the past, renewing early really helps the TCSA volunteers who process the memberships and saves the TCSA money and time.

### ATTENTION ALL RSOs

The entire Rattlesnake Mountain Shooting Facility (Rose-Iris, HESA, Pistol Bays, High-Power and Shotgun) will be **CLOSED TO ALL SHOOTING on MONDAY, JUNE 13** in support of the Benton County Fire Department cutting fire breaks around our entire Range.

Thanks for your cooperation!

\* \* \* \* \*

### ROSE-IRIS RANGE

Hours of Operation  
9:00 a.m. to 3:00 p.m.

Wednesday, Friday, Saturday, Sunday

## DRONE DETECTION SYSTEM DEMONSTRATION

By: Ron Jorgensen

On May 18 and 19 the TCSA hosted Strongwatch, a company that develops mobile high tech surveillance equipment for a demonstration of their equipment. The demonstration took place on our High-Power Range and was primarily tailored to DOE and possible use at the Hanford site. The equipment tested included a modular and stabilized multi sensor system that included a high-definition camera, thermal imaging and radar integration. During the demonstration, drones were flown at distances up to 1200 yards at various speeds allowing the radar and camera to track and follow the drone's movements with live images displayed on a screen monitor.

# TCSA FACILITIES

**ROSE-IRIS RANGE** – A 100-yard range with 20 covered firing points. This day use Range Safety Officer supervised facility is operated for public use on a regularly scheduled basis Wednesdays, Fridays, Saturdays and Sundays.

**RIMFIRE PLINKING RANGE** – A 50-yard 22-caliber Range Safety Officer supervised Shooting Range with reactive targets.

**CENTERFIRE PLINKING RANGE** – A 50-yard handgun pistol/revolver RSO supervised range with reactive targets for firearms using black powder or standard pistol cartridges.

**COWBOY / PRACTICAL PISTOL BAYS** – Ranges consisting of 13 bays of varying lengths designed to support a variety of action shooting disciplines such as; Practical (IPSC/ USPSA) 3-Gun Sports and Cowboy (SASS) groups.

Cowboy Action Rep. – **Charles Kissler** – 509-783-8505

**Nelson Thomas** – 509-727-4678

Practical Pistol Rep. – **Don Brown** – 509-582-6993

**1000-YARD, HIGH-POWER RANGE** – A Range consisting of 100, 200, 300, 600, 800, 900 & 1000-yard firing lines that can support 20 firing stations on each firing line (utilizes manned target operation). The 400-yard line has 5 firing stations and the 500-yard line has 10 firing stations. This Range supports High-Power Rifle, Long Range PALMA and Precision Shooting Events of various disciplines, including 50-Caliber.

High-Power Rep. – **John Julian** – 509-308-0376

**HUNTER EDUCATION RANGE:** This Range has been designed to support Hunter Education Training Classes and also has a practical field exercise area containing obstacles hunters could expect to encounter in the field. The covered firing line can be used independently by current RSO's as an overflow from the Rose-Iris Range and may be available for RSO supervised public event use when not being used for the conduct of Hunter Education Classes.

Hunter Ed. Rep. – **Randy Absolon** – 509-628-3899

**PRIMITIVE USE RANGE:** - A Range Area for muzzle loading and primitive Sagebrush Free Trappers reenactment events with parking, staging and various range areas.

Primitive Range Rep. – **Clint Bouslaugh** – 509-585-6415

**SHOTGUN RANGE:** Includes a set of two ATA regulation Trap Fields, two Skeet Ranges and a Sporting Clay Range supporting five firing stations and a Pattern Board.

Shotgun Rep. – **Mark Monopoli** – 509-531-6929

## “WELCOME” NEW MEMBERS

Welcome! In this Newsletter you can find the contact information for the Board Members and above you can find contact information for the different Ranges. The Ranges were built and are maintained by volunteers. We encourage you to get involved and be a part of TCSA.

New members from this past month should have already received their membership card(s). If you have not received your card, contact **Sue Verwest** at [membership@tcsa.info](mailto:membership@tcsa.info) or 509-735-1662.

Check out our TCSA web site [www.tcsa.info](http://www.tcsa.info) for a variety of information. If you have decided not to receive a printed Newsletter by mail, it is posted on the web site the first week of each month.

# HUNTER EDUCATION AND SAFETY ASSOCIATION

By: **Randy Absolon**

We held an Online Evaluation Class on May 14 with one student. There were three students registered for the Class; one was a no-show, another showed up but did not need the Class, leaving us with one student. That student did a great job and easily passed the Class.

**Aaron Garcia**, our **Region 3 Area Coordinator**, visited our Class in May and left a 15-year Certificate of Service for **Bob Spencer**; and a 20-year Certificate of Service for **Mike Patello**. Thank you for your many years of service to **WDFW Hunter Education**.

As I noted in the May article, we have decided not to offer a Traditional Class in June. That Class has had low student numbers in the past and given the very low student numbers we have seen this year, we will not be offering that Class.

Our next **Online Evaluation** will be on **August 13**. Registration for that Class is currently open on the WDFW website. We are also tentatively planning an **Online Evaluation** for **September 24**, but the details for that Class have not been finalized at this time.

An important update from last month's Newsletter: On **June 1**, the minimum age for students to complete the entire Online Course without having to attend an in-person range day will be raised from 9 to 18 years old. Students younger than 18 will have to complete the range and other requirements in person.

**RSOs using the HESA Range** are expected to sign in at the Rose-Iris Range before going over to the HESA Range to shoot. You are also expected to **clean up** when you are done shooting, including **returning target stands** to the Rose-Iris Range House and picking up brass.

Always remember to control the direction of your muzzle, be sure of your target and what lies beyond it, keep your finger off the trigger until you are ready to shoot and never carry two different cartridges or gauges of shotgun ammunition.

If you have questions about our **Hunter Education Classes**, you can contact me at [absolon@gorge.net](mailto:absolon@gorge.net)

**WEATHER CONDITIONS** at the Range can be found on our homepage – [www.tcsa.info](http://www.tcsa.info)

# SCOUTS LEARN NEW SHOOTING SKILLS AND FIREARM SAFETY

By: Ron Jorgensen

On April 30 the TCSA hosted 113 Scouts at the HESA Range to learn shooting skills and gain a better understanding of firearms safety. The Scouts were participating in a camporee at the Horn Rapids Park and campground. The Scouts were shuttled to the HESA Range in groups of 10-15. Once they arrived, they were provided with a short class covering firearms basics including gun safety, loading, sighting and firing a .22 caliber bolt action rifle. The Class was followed by pairing each scout with a TCSA Range Safety Officer (RSO) or Scout Leader and allowed to fire 30 rounds. The RSO's provided feedback on how to properly aim, breath and fire the rifle. All the scouts felt the activity was very valuable and how much they appreciated the opportunity. **A big thanks to the all the RSO's and Scout Leaders that participated in the day's activities.**

## ADVANTAGES OF BEING A RANGE SAFETY OFFICER

The advantages of being a RSO and obligating yourself as a volunteer at TCSA means that on days when the Range is not open to the general public - YOU - as a RSO can use the Range. Having gone through the RSO Training Class and volunteering your time you are able to go to the Range any time you like!

To become an RSO, you must be a **current member**, **attend the RSO Training Class** and obligate yourself to **volunteer at the Range three times a year**.

If you would like to become a RSO or would like more information about becoming a RSO, contact **Dan Martini** at [Dantini@charter.net](mailto:Dantini@charter.net) or 509-627-3198.

~ FIRE SEASON ~

It is that time of year again!  
Please use Extra Caution!

TCSA PUBLIC MEETING

THURSDAY, JUNE 9  
7:00 p.m.

RICHLAND LIBRARY

(Note: We are back at the Richland Library)

# CHIEF RSO REPORT

By: Mike Ensminger

The RSO Duty Calendar is looking really good (i.e., really full) with enough new RSOs added to the mix to allow staffing all Ranges during most of our busiest times of the year. Additional Classes are being scheduled as we can fill them, so send **Dan Martini** a note ([dantini@charter.net](mailto:dantini@charter.net)) if interested in becoming a **TCSA RSO**.

Many thanks to **Scott Turner** for the generous donation in the purchasing of AR 500 targets for the Range. A full set of "**Know Your Limits**" targets have been added to the Centerfire Plinking Range (it is the set that ranges from 2" to 10") and you can expect to see additional sets in play in Events over at the Pistol Bays.

The **Plinking Ranges** are getting a workout now that the weather is (occasionally) pretty nice, so it appears to be time for a few notes about their use.

**The Rimfire Plinking Range is for .22 rimfire only.** No magnums, no .17's, no centerfire of any kind.

The **Centerfire Plinking Range** is for **cartridges designed for pistols and revolvers only.** This allows carbines and rifles also, as long as they are chambered for a pistol cartridge. Rifle cartridges are prohibited regardless of the firearm in which they are chambered, (i.e., no .223/5.56, .308/7.62, .45-70, etc.), even if chambered in something legally classified as a pistol. If you have any doubt, please ask before damaging our targets or creating a safety hazard.

## RSO INFORMATION

RSO Questions / Concerns  
**Chief RSO - Mike Ensminger**  
[chiefrso@tcsa.info](mailto:chiefrso@tcsa.info) or 509-521-9628

**ALL MEMBERS MUST** show a **2022/2023 Membership Card** to the RSO on duty upon arrival at the **Range**. Membership Cards need to be shown at **all Ranges** and **all Events** or you **will be required to pay the non-member Range Use Fee.** **EVERYONE must sign-in!**

**Hearing and Eye protection required when shooting!**

# RSO TRAINING CLASS

By: Dan Martini

The next **Range Safety Officer Class** and probably the last RSO Class until September, is scheduled for **Friday June 24**, if we get enough requests.

In order to have your name added to the Next Class, you need to be a current 2022-2023 member of the TCSA and agree to volunteer for 3 duty days at the Rose-Iris Range per year. You pick which Wednesday, Friday, Saturday or Sunday duty days you will be able to do. The RSO Class will run from 8 a.m. until 3 p.m. and will be conducted at the Shotgun Range House. RSO Classes will be filled on a first confirmed basis.

To get your name added to the Next Class list, send an e-mail message with your TCSA membership number to Dan at [dantini@charter.net](mailto:dantini@charter.net).

## KEEP THE RANGE CLEAN

Keep your Range clean of trash and spent cartridges. Garbage cans are available. Please be sure the enclosure tops are closed so the garbage can't blow out. If the trash blows out, "someone" has to pick it up. Buckets are provided for spent cartridges.

Please take a moment to clean up after yourself when you are done shooting.

## RATTLESNAKE WARNING

It is that time of year when uninvited guests show up on our Ranges. Always be aware of your surroundings. Watch where you step and when you reach for things!

Write a review and share your opinion about TCSA's Rattlesnake Mountain Shooting Facility! Let us know how we are doing. Contact **Steve Scott** with questions or comments at [Events@tcsa.info](mailto:Events@tcsa.info)

Rattlesnake Mountain Shooting Facility/TCSA  
<https://www.facebook.com/RMSFTCSA/>

# RATTLESNAKE MOUNTAIN STEEL SHOOTERS

By: Mike Ensminger

46 guns were in play at the **May Steel Shoot** and results are posted at [www.practiscore.com](http://www.practiscore.com).

We will be shooting again on **June 5**. Send us a note at [mikeberta4@gmail.com](mailto:mikeberta4@gmail.com) and we will start a squad for you ahead of time.

The mandatory shooter's meeting will be at 9:15 a.m.

## COWBOY ACTION

By: Mike Ensminger

14 shooters showed up for the **May Cowboy Shoot** and we were off the Range shortly before the rain started. Results are posted on [www.practiscore.com](http://www.practiscore.com) and you can find them with the word "rattlesnake".

We will be shooting again **June 25**, with the shooter's meeting at 9:15 a.m.

## PRACTICAL PISTOL

By: Pam Harper

USPSA National Range Officers Institute, **NROI**, has a website that has valuable information about the Rules and interpretations of the Rules. Check it out at <https://nroi.org>

**TIDBITS:** Before going to a L2/3 Match, check your equipment using **Appendix D**. EWPSA has a mag gauge that we can check your mag lengths. You do not want to be moved to Open, if your equipment is out of compliance.

**NATIONAL NEWS:** [www.uspsa.org](http://www.uspsa.org)

Area-1 Championship: June 3 - 5, Nampa, ID (Sold Out)

The dates for USPSA Nationals 2022 have been released <https://uspsa.org/nationals>

2Gun Nationals (PCC/Pistol/Multigun): June 11 - 12, Palisade, CO

Carry Optics Nationals: September 9 - 11, Talladega, AL  
USPSA Nationals Open/Prod/PCC/Lim: October 14 - 17, Palisade, CO

The USPSA Rules:

<https://uspsa.org/viewer/2021-USPSA-Competition-Rules-Sep-2021.pdf> can be downloaded for easy access or get the **USPSA App** at <https://uspsa.org/app>.

**LOCAL NEWS:** The **Steel Challenge May Match** had 30 guns with 10 divisions represented. The Division winners were: RFRO: **Mike Czebotar** (overall winner); CO: **Curt Berger**; ISR: **Dan Gookin**; Limited: **Ken Arneson**; Open: **Ryan Barnes**; OSR: **Eugene Econ**; PCCO: **Rich Nelson**; RFPI: **Kevin Hawman**; RFPI: **Eugene Econ**; RFPO: **Ryan Barnes**; and RFRI: **Mark Wells**. Complete Results at:

<https://practiscore.com/results/html/1dbf633f-4ba4-40d4-8a42-44d75c499271>

The **USPSA Inland Empire Sectional Match** had 176 competitors with 7/8 USPSA Divisions represented. The Division winners were: Open: **Jordan Rogers** (overall winner); Carry Optics: **Hwansik Kim**; Limited: **Matthew Evancic**; PCC: **Gary Chan**; Production: **Marcel Englmaier**; Revolver: **Gerald Ashbeck**; and Single Stack: **John Kitson**. Complete Results at:

[https://practiscore.com/results/new/167683?q\\_division=0](https://practiscore.com/results/new/167683?q_division=0)

**COMING UP:** EWPSA will be hosting a **Fun 2-Gun in the Sun Match June 12**. Gate will open at 9:00 a.m., new shooters briefing at 9:30 a.m., shooting begins at 10:00 a.m. The Match costs \$15 TCSA members, \$20 non-TCSA members, shooting a second gun is +\$5 and juniors shoot for free. More details and registration on Practiscore <https://clubs.practiscore.com/ewpsa-2022-06-fun-in-the-sun-2-gun/register>

EWPSA will be hosting their monthly **USPSA Match June 19**. Registration should be done on Practiscore at <https://practiscore.com/ewpsa-2022-06-uspsa/register>.

Gate will open at 9:00 a.m., new shooters briefing at 9:30 a.m., shooting begins at 10:00 a.m. The Match costs \$15 TCSA members, \$20 non-TCSA members, and juniors shoot for free. More details on Practiscore.

EWPSA will be hosting a **Steel Challenge Match July 10**. Gate will open at 9:00 a.m., new shooters briefing at 9:30 a.m., shooting begins at 10:00 a.m. The Match costs \$15 TCSA members, \$20 non-TCSA members, shooting a second gun is +\$5, and juniors shoot for free. More details and registration on Practiscore <https://practiscore.com/ewpsa-2022-07-steel-challenge/register>

HAPPY FATHER'S DAY  
JUNE 19

# SHOTGUN REPORT

By: Mark Monopoli

The end of May brings us to Memorial Day, which is a day to Remember and Honor all of those wonderful individuals who served and made the ultimate sacrifice for our great country. Thank you and God bless.

I am sure everyone has heard the phrase “the great resignation” banded around the news the past several months. People are leaving their jobs for one reason or another and the numbers are sufficient enough that one of the brain trusts in the media came up with that clever play on words.

While I thought the Shotgun Range would be immune to such things, it appears I was mistaken. After 7 years as President of the Shotgun Board, **Dave Otto** has decided to resign his position effective May 31 with time served for good behavior. While I am sure there is hardly a dry eye reading this, Dave will still be around the Range spreading his unique style of cheer.

Before we get into the Greatness of Dave, I want to remind everyone there is still time to plan for the **SUB-GAUGE SHOOT** on **June 12**. If you are a fan of shooting sub-gauges this is the shoot for you! Expect to shoot a variety of Skeet/Trap/5-Stand and all things in between. Each gauge will be handicapped to even the playing field a bit. If you shoot a .410 you received an extra 3 birds per event over the 20-gauge shooters. This is a fun shoot that moves quickly, has a low entry fee with **LUNCH**, pays back well, and is a great reason to dust off your 20, 28 or 410 gauge guns. **Please note that the Skeet Field will be closed for the shoot on June 12.**

Ok, back to it. Dave has been instrumental in so many changes these past 7 years, it is hard to list them all. Landscaping, irrigation, well, well pumps, main water lines, filters, fences, fertilizer, weed killer, bug killer, rodent killer, chainsaws, equipment, targets, etc. are all part of it. Projects great and small such as replacing the grass behind the fields with gravel and curbing to help cut down on watering and mowing. Rock wall on Skeet Field #1, and dedication as **Ron Geiger Field** for all of Ron's hard work over the years. Landscaping between Trap 1 and Trap 2 to help minimize lawn maintenance. More recently the beautification of the hillside on the 5-Stand field with, you guessed it, a rock wall, gravel, and some trees and shrubs. Dave has personally applied 4587 pounds of fertilizer to the fields. I would be remiss in not mentioning that Dave has cut down more trees at the Shotgun Range than I can remember, and he even planted more so he can cut them down in the future. Don't fight it, it's in his contract. The irrigation system has been reworked a couple of times. Sure, one of those time was due to the ineptitude of the “workers”, but the other time it needed to be repaired and simplified. Dave rebuilt the irrigation manifold on the 5-Stand field. One of the main irrigation lines was replaced from the pumphouse to the upper fields. Of course, our water

comes from a well, and that well and well pump have had their issues over the years. Each time the main waterline broke, or the well pump went out, Dave was one of the first people there, and got things taken care of quickly. When we were having issues with the water volume we were getting from the well, Dave was instrumental, with the generous support of the TCSA, in getting the depth of the well dropped to a better aquifer. The main waterline from the cutoff valve to the Shotgun Range House was replaced and upgraded. The trap and skeet houses were painted. New fences were installed between all of the fields. New trap machines were installed in Trap 1 and Trap 2 with the help of a grant and **Eric Bickels** grant writing abilities. New FORKLIFT, again with the generous support of the TCSA. New zero-turn lawn mower that cut 2 hours off the weekly mowing time. If it snowed, Dave was out leading the merry band of snow shovelers. There are so many more things, large and small, that I am probably forgetting. Essentially, if something needed to be done, Dave got it done, and done right now. We all owe a debt of gratitude to Dave for everything he accomplished while being President. The Shotgun Range is in a very good position currently, in terms of finances and projected future maintenance. **Thank you Dave!**

But, Dave's a quitter, so he's out. A new President is taking over on June 1. The Shotgun Board voted unanimously to have **Mark Monopoli** (me) become the next President of the Shotgun Board. Don't worry, I've been following Dave around for a couple of years now, so I have a pretty good idea on what not to do. More on that in the future though.

**2022 Skeet League** is complete and **Gary Maxey** won a hard-fought battle to become the current Skeet League Champion. Great shooting Gary!

The **2022 Bird Shot Challenge** has been decided, and **Team Rattlesnake** emerged the victor again this year by a score of 851 to 787 for the Walla Walla/East End boys. I would go into more detail, but the **Ode to Otto** took up too much room.

**5-Stand is up and running on Sunday mornings starting at 9:00 a.m.!** Be there, and don't be late.

**Patterning Board.** The patterning board is above Trap 1 and you will need to bring paper/cardboard to use it as we no longer do the grease thing. **We have decided to stick with no shot sizes larger than 6's and no steel shot.**

## SHOTGUN RSO INFORMATION

Remember current Membership Cards need to be presented **every time** you sign in to avoid the Daily Range Fee.

## SHOTGUN RANGE HOURS

Wednesday, Saturday and Sunday  
9:00 a.m. to 3:00 p.m.

Current weather conditions at the Range can be found at [www.tcsashotgun.com](http://www.tcsashotgun.com) and [www.tcsa.info](http://www.tcsa.info).

Thanks for reading! If you have anything to share or have questions, concerns or comments feel free to drop me an email at [mark.monopoli@outlook.com](mailto:mark.monopoli@outlook.com)

Like us on Facebook! Or don't...  
[@rattlesnakemountainshotgun](https://www.facebook.com/rattlesnakemountainshotgun)

## PRIMITIVE RANGE

By: Clint Bouslaugh

I don't know what happened at the May shoot as I was out of town and I have not had a chance to talk to the RSO that ran the Range for the day about the shoot.

Our next scheduled shoot will be on **June 18** from 9:00 a.m. until noon. Come on out and enjoy the morning.

## HIGH-POWER

By: John Hauptmann

Our Match season continues to heat up in June with **Smallbore Matches** on the 7<sup>th</sup>, 9<sup>th</sup>, 12<sup>th</sup>, 14<sup>th</sup>, 16<sup>th</sup> and 21<sup>st</sup>; **Service Rifle** on the 11<sup>th</sup>; **Mid-Range** on the 4<sup>th</sup> and 28<sup>th</sup>; **Long Range** on the 24<sup>th</sup> - 26<sup>th</sup>; and **50 BMG** on the 16<sup>th</sup> - 20<sup>th</sup>. Please visit the High-Power web page at <https://www.tc21st & 22ndsahighpower.org/> to review our full 2022 Schedule and associated Match Programs.

The following COVID adjustments to Match Operations will carry over into our 2022 Match season:

- Social distancing is encouraged and will be maintained to the extent possible.
- Bring exact match fees and your own writing instruments / tablets.
- State and County guidelines will be followed.

**E-TARGET USE:** Virtually all our High-Power Matches will be run on e-targets this season, so make sure you bring Android tablet or i-Pad with you to the Match (you can also use your cell phone, but its beneficial to have a larger screen). *Unfortunately our current e-targets do not work for smallbore, but we will adopt that technology once it becomes cost effective to do so.*

**RANGE CONDITIONS:** The Range is in good shape, but please use common sense. Keep your speed down, particularly on the corners and only drive on the graveled areas. Be aware that conditions in the Canyon may be different than elsewhere on the Range and avoid soft or muddy areas as best you can.

**HIGH-POWER RSO ENDORSEMENT:** For any interested TCSA RSO, the 1KYD High Power Endorsement Training is currently being scheduled on an as-needed basis. It takes an hour and allows you unrestricted access to the High-Power Range outside our scheduled Matches. The only prerequisite is that you be a current TCSA RSO. Please contact **John Hauptmann** with questions or to schedule your training.

**HIGH-POWER CONTACTS:** **John Julian** High-Power Chairman at 509-308-0376 / [b24jcyj@gmail.com](mailto:b24jcyj@gmail.com) or **John Hauptmann** High-Power Secretary at 509-308-9230 / [jlhauptmann@gmail.com](mailto:jlhauptmann@gmail.com) if you have questions about an Event or how to get involved with High-Power at any level or discipline. Please keep an eye on our **Facebook** page at TCSA High-Power and our **web page** at: [www.tcsa.info/disciplines/highpower](http://www.tcsa.info/disciplines/highpower) for additional details, match highlights, photos and related links.

Check out the "For Sale" items on our web-site  
[www.tcsa.info](http://www.tcsa.info)

New items are being posted and sold on a regular basis!

Send your "For Sale" or "Wanted" items to  
[membership@tcsa.info](mailto:membership@tcsa.info)

**TCSA HATS** are available at the **Rose-Iris Range**.  
\$20.00 each (includes tax)

**FLY THE FLAG - JUNE 14**

**CHECK OUT THE TCSA WEB-PAGE**  
[www.tcsa.info](http://www.tcsa.info)

**Calendar of Events - Range Photos**  
**Shooting Venues - Frequently Asked Questions**  
**Items For Sale - TCSA Forms - Monthly Newsletter**
