PRESIDENT'S REPORT

By: Mark Verwest

Due to impending legislation, the Early Renewal Drawing was held in the second week of April. The lucky winner was **Randy Bayuk** and he was surprised and happy to hear he was the winner.

I would like to thank all of you that renewed early and I wish you the best of luck in next year's drawing.

We still have a couple of hurdles to jump in order to meet the requirements to receive the **RCO Grant** that will be used to pave the Rose-Iris Range parking lot and construct the new 100 Meter .22LR Range. Hopefully I will have some news by the time the next Newsletter comes out.

We are having a new **automatic gate installed at Rose-Iris** this month. Be sure to check the website before heading to the Range for any possible Range closures due to the gate installation.

RSO's will receive an email with operating instructions for use on public days and during off hours. Be sure to have no.reply@tcsa.info in your E-Mail Contact List or check your Spam/Junk files.

ROSE-IRIS RANGE

Hours of Operation
9:00 a.m. to 3:00 p.m.

Wednesday, Friday, Saturday, Sunday

The Shotgun Range will be closed on
May 14 – Mother's Day

VICE-PRESIDENT'S REPORT

By: George Hager

Howdy all! I knew if I said it often enough it would be true, winter is over!! It is an exciting time at the Range. Soon we will have a paved parking lot at the Rose-Iris Range. Keep your attention on correspondence from the President for further details and its effects on Range usage. We are also making preparations to install a **100-Meter Smallbore Range** to the north of the new Sheriff's Range. There is a Smallbore Competition Organization that is meeting to lay-out the Matches that this Range will be used for. If you have any input, please feel free to reach out to me and I can point you in the right direction to have your voice heard.

I again witnessed our Range Officers' professionalism personally. An RSO and myself had a misunderstanding and instead of talking past each other we finally saw what each other was saying and the outcome ended without hurt feelings. To that RSO I want to congratulate him on his professionalism and dedication to personnel SAFETY!

Lastly, the **PR-22** (Precision Rimfire) season got off to a great start on April 22 as **Kelly Hill** won the Match, showing the way over 11-stages of competition. Our next Match will be hosted by **D-M Targets** on the **HESA Range** on **May 28**. Come out, you will have fun!

MEMBERSHIP UPDATE

By: Sue Verwest

We have had an outstanding Membership Renewal response. **Thanks to all who renewed and continue to support the Tri-Cities Shooting Association!** And "thank you" to all who gave an additional donation to help with the TCSA projects.

TCSA FACILITIES

ROSE-IRIS RANGE – A 100-yard range with 20 covered firing points. This day use Range Safety Officer supervised facility is operated for public use on a regularly scheduled basis Wednesdays, Fridays, Saturdays and Sundays.

RIMFIRE PLINKING RANGE – A 50-yard 22-caliber Range Safety Officer supervised Shooting Range with reactive targets.

CENTERFIRE PLINKING RANGE – A 50-yard handgun pistol/revolver RSO supervised range with reactive targets for firearms using black powder or standard pistol cartridges.

COWBOY / PRACTICAL PISTOL BAYS – Ranges consisting of 13 bays of varying lengths designed to support a variety of action shooting disciplines such as; Practical (IPSC/ USPSA) 3-Gun Sports and Cowboy (SASS) groups.

Cowboy Action Rep. – **Charles Kissler** – 509.783.8505

Nelson Thomas – 509.727.4678

Practical Pistol Rep. – **Curt Berger** – 541.720.7826

1000-YARD, HIGH-POWER RANGE – A Range consisting of 100, 200, 300, 600, 800, 900 & 1000-yard firing lines that can support 20 firing stations on each firing line (utilizes manned target operation). The 400-yard line has 5 firing stations and the 500-yard line has 10 firing stations. This Range supports High-Power Rifle, Long Range PALMA and Precision Shooting Events of various disciplines, including 50-Caliber.

High-Power Rep. – **John Julian** – 509.308.0376

HUNTER EDUCATION RANGE: This Range has been designed to support Hunter Education Training Classes and also has a practical field exercise area containing obstacles hunters could expect to encounter in the field. The covered firing line can be used independently by current RSO's as an overflow from the Rose-Iris Range and may be available for RSO supervised public event use when not being used for the conduct of Hunter Education Classes.

Hunter Ed. Rep. – **Randy Absolon** – 509.845.3632

PRIMITIVE USE RANGE: - A Range Area for muzzle loading and primitive Sagebrush Free Trappers reenactment events with parking, staging and various range areas.

Primitive Range Rep. – **Clint Bouslaugh** – 509.585.6415

SHOTGUN RANGE: Includes a set of two ATA regulation Trap Fields, two Skeet Ranges and a Sporting Clay Range supporting five firing stations and a Pattern Board.

Shotgun Rep. – **Mark Monopoli** – 509.531.6929

“WELCOME” NEW MEMBERS

Welcome! In this Newsletter you can find the contact information for the Board Members and above you can find contact information for the different Ranges. The Ranges were built and are maintained by volunteers. We encourage you to get involved and be a part of TCSA.

New members from this past month should have already received their membership card(s). If you have not received your card, contact **Sue Verwest** at membership@tcsa.info or 509.735.1662.

Check out our TCSA web site www.tcsa.info for a variety of information. If you have decided not to receive a printed Newsletter by mail, it is posted on the web site the first week of each month.

HUNTER EDUCATION AND SAFETY ASSOCIATION

By: **Randy Absolon**

Our last **Online Class** this spring will be on May 13. Registration is currently open on the WDFW website. As I write this, there are still seats available. These Classes take most of the day. We start at the HESA Range in the morning, then move to the Richland Community Center in the afternoon.

The **June Traditional Class** will start on **Monday June 12** and finish on **Thursday June 29**. Registration for this Class is also open on the WDFW website and there are currently seats available.

We are anticipating holding additional **Evaluation Classes** for online students in **August** and **September**. Information on our Classes and all other Hunter Ed Classes is available on the WDFW website.

RSOs using the HESA Range are expected to sign in at the Rose-Iris Range before going over to the HESA Range to shoot. You are also expected to clean up when you are done shooting, including returning target stands to the Rose-Iris Range House and picking up brass.

Always remember to treat every firearm as if it was loaded, control the direction of your muzzle, be sure of your target and what lies beyond it, keep your finger off the trigger until you are ready to shoot and store firearms and ammunition separately.

If you have questions about our **Hunter Education Classes**, you can contact me at absolon@gorge.net

TCSA PUBLIC MEETING

THURSDAY, MAY 11
7:00 p.m.

RICHLAND PUBLIC LIBRARY

RATTLESNAKES

As it warms up, we get uninvited guests on our Ranges. Watch where you step. Be aware of your surroundings. Watch when you reach for things!

NEW GONGS AT ROSE-IRIS

By: Mike Ensminger

All the old boiler plate gongs have now been replaced with free-swinging AR-500 targets and the berms have been repaired to increase visibility and get some dirt behind all of them.

Many thanks to **Paul Werner** for the tractor work and rigging all the old steel out, **Seth Gardner** for the cutting torch to remove the old ones and providing a lot of grunt labor and installation expertise for the new installations, and to **Dave McNeal** for making sure no one shot at us while we were up on the mountain.

It was hard to capture a good picture of what is out there now. **You will just have to go out to the Range and see for yourself!** But here is an example of why the old ones needed replacing.

The new targets are somewhat smaller and more challenging than the previous ones, size largely driven by what we could get out of an existing chunk of AR, but when you hit them, you can hear the ring halfway to town.

All the gongs and stands now on the hill are fabricated by **Seth Gardner** of **D-M Targets** (give their website a look) and the 200-yard target has taken several years of abuse and still looks great.

Target dimensions:

- 200 yards - 12"
- 250 yards - 15"
- 300 yards - 16" and 6"
- 350 yards - 18" and 7"
- 400 yards - 20" and 8"
- 450 yards - 21", 9" and the one in the middle is about 3" wide x 4" tall

FIRST SHOTS

By: Mike Ensminger

On **Saturday, May 13**, the TCSA is hosting First Shots Handgun Classes at the Rattlesnake Mountain Shooting Facility. This is a great opportunity for new shooters to get to get started in a low-pressure setting.

Classes are scheduled 8:00 a.m., 10:30 a.m., and 1:00 p.m., and will include:

An educational introduction to the safe and recreational use of firearms

A review of the local requirements for owning and purchasing a firearm

Individual firearm training

A rundown of shooting sports opportunities at TCSA for all levels of interest

A chance to give shooting a try!

Firearms and ammunition are provided by TCSA, and there is no charge to attendees.

To sign up, email Mike Ensminger with your name and choice of class time - chiefrso@tcsa.info.

FIRST LAW... THE GUN IS ALWAYS LOADED!

SECOND LAW... NEVER POINT THE GUN AT SOMETHING YOU ARE NOT PREPARED TO DESTROY!

THIRD LAW... ALWAYS BE SURE OF YOUR TARGET AND WHAT IS BEHIND IT

FOURTH LAW... KEEP YOUR FINGER OFF THE TRIGGER UNTIL YOUR SIGHTS ARE ON THE TARGET

Rattlesnake Mountain Shooting Facility/TCSA
<https://www.facebook.com/RMSFTCSA/>.

Contact **Robbie or Mike Ensminger** with questions or comments at ChiefRSO@tcsa.info

Hearing and Eye protection required when shooting!

CHIEF RSO REPORT

By: Mike Ensminger

We are planning to host **First Shots** on **May 13**. There are 3 classes planned, at 8:00 a.m., 10:30 a.m. and 1:00 p.m. If you are interested send me an email at chiefrso@tcsa.info with names of attendees and choice of Class and I will sign you up. Check out the Article on page 3 of this Newsletter.

Rose-Iris RSOs have until May 31 to sign up for their **three 2023-2024** range duty days. If you have any trouble signing onto the TCSA web page, give me a call and I will give you a hand.

RSO INFORMATION

RSO Questions / Concerns
Chief RSO - Mike Ensminger
chiefrso@tcsa.info or 509.521.9628

RSO -- ROSE-IRIS DUTY DAY SCHEDULING FOR 2023 TO 2024

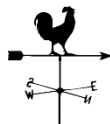

The Rose-Iris Duty Day Calendar is from
April 1, 2023 to March 31, 2024

Scheduling for the 3 Duty Days for this Calendar Year
needs to be done by May 31, 2023.

ALL MEMBERS MUST show a current **Membership Card** to the RSO on duty upon arrival at the **Range**. Membership Cards need to be shown at **all Ranges** and **all Events** or you will be required to pay the **non-member Range Use Fee**. **EVERYONE must sign-in!**

WEATHER CONDITIONS at the Range can be found on our homepage -

FLY THE FLAG

NEXT RANGE SAFETY OFFICER CLASS

By: Dan Martini

The RSO Class on May 5 is full, but our next Class will be held on **Friday, May 26**. If you are interested in taking that Class, contact me to get your name on the list. This Class will start at 8 a.m. at the Shotgun Range House and last until about 3 p.m. If you can make the May 26 class date and have your TCSA Membership current through the 2023 – 2024 time period, send an email to dantini@charter.net with a YES May 26 and include your name and TCSA membership number. I will add your name to this RSO Class list. I will send you a reminder message a week before that Class with all the details.

To become a TCSA RSO, you need to have and maintain your TCSA Membership, complete an 8-hour Friday Class and volunteer to stand 3 days per year at the Rose-Iris General Purpose Range on a Wednesday, Friday, Saturday or Sunday. You pick which of those three days you will be able to meet.

The advantages of being a RSO and obligating yourself as a volunteer at TCSA means that on days when the Range is not open to the general public -- YOU can utilize the Ranges.

RATTLESNAKE MOUNTAIN STEEL SHOOTERS

By: Mike Ensminger

We had 49 guns signed up for the April Match and expect more good weather in May.

We will be out there **May 7** and the Shooter's Meeting will be at 9:15.

Although we do sign-ups on Match Day at the Range, if you have a group you would like to shoot with, send us an email (mikeberta4@gmail.com) with names and the number of guns each and we will start a squad for you ahead of time.

COWBOY ACTION

By: Mike Ensminger

In April TCSA hosted the **SASS Washington State Championship Cowboy Action Match**. 80 shooters from all over the Northwest competed and you probably noticed the parking lot full of campers if you drove by.

May marks a return to normal and our **Monthly Match** will be held **May 27**, with the Shooter's Meeting at 9:15.

PRACTICAL PISTOL

By: Pam Harper

PISTOL BAY CLOSURES USPSA Inland Empire Sectional Match

Friday: May 5 & 12 - 5:00 pm - 8:00 pm - Bays 0-9
Saturday: May 6 & 7 - 8:00 am - 5:00 pm - Bays 0-9

PRIMITIVE RANGE

By: Clint Bouslaugh

In April we held our annual Rendezvous. The event was lightly attended, but we did have two new shooters there. We had a good time and the weather was great.

The **May Shoot** will be on the **20th**, from 9:00 a.m. until noon.

We are still planning for a **Youth Shoot** on **June 17**. I would like to get at least **two more RSO's** to help with the Event.

Keep the Range Clean

Garbage cans are available for your trash and buckets are provided for spent cartridges.

Please take a moment to clean up after yourself when you are done shooting.

HIGH-POWER

By: **Dave Baalman**

It has been a busy month at the High-Power Range as usual. We started off on April 4 with a **50/100 Yard Dewar Smallbore Match**. 8 shooters were treated to weather that "was not too awful" and wind that was a bit "switchy". **Brandon Tinker** was the match winner with a 392-19x, followed closely by **Phil Keuhlen** with a 390-21x. Phil also managed a clean target at 50 yards. Thanks as always to **Tex Long** for running the line and helping with scores.

April 8 was a scheduled RMC across the course center fire match. Poor planning on our part had this scheduled for Easter weekend, so attendance was light. Shooters present decided to call an audible and shoot the 50 Shot National Match Course as a practice instead, taking advantage of excellent conditions (I actually confirmed my no wind zero at 600 yards, I didn't know I had a no wind zero before that day). **John Julian** had the top score of the day which went otherwise unreported as it was just a Practice Match.

April 11 was a Smallbore Benchrest Match, with conditions providing a test of everyone's wind endurance (what a difference a few days makes!). Note from the Match Director: "Those folks tough enough to hang in there and complete the match surely deserve respect from the remainder of us. As Seth observed 'warn't no new records today.' No targets blew over during the competition. We (as a group) are getting better at setting targets if not punching accurate holes into them. **Phil Keuhlen** was again the top score with a 236-0x and **David Vance** was second with a 228-1x. Editor's note: those scores alone should tell you how windy it was!

There was a Long Range V2 Points Series Match (5 strings at 1000 yards) on April 15, but no report was available at press time.

April 18th was a 100 Yard Mini-Palma Match. Conditions were again difficult. From the Match Director: "It seems that there are at least four very foolish young shooters. All four showed up this morning in the howling winds to shoot." **Ron Jorgensen** was the top score with a 419-14x, just beating **John Julian** by x count with his 419-12x. They shot wildly different scores on the 800- and 900-yard targets and only shot the same score at 1000. To wind up tied for score in those conditions is quite rare! Special thanks to **Ron Jorgensen** for running the line and pits on the off relay.

The weather finally improved April 25 for the Centerfire 200/300 Yard Match. **Kaleb Harvey** led the field with a clean 200-18x, edging out **Ben Cook's** 199-8x. Well done Kaleb and that's believed to be a new record score for this Match at Rattlesnake!

Looking ahead to the schedule for May, **Smallbore** continues to be busy with a **Dewar Match** on **May 2**, **Vintage Smallbore** on **May 4**, **50 Yard Benchrest** on **May 9**, **50 Yard ARA** on **May 11**, **100 Yard Mini-Palma** on **May 16**, and a **PR 22 Match** on **May 28**.

The **50 BMG** group get their season going **May 5**, **6** and **7** with a **Benchrest Match**.

On the across the course high-power side of things we have an NRA approved **Regional Match Course** on **May 13** and a **CMP EIC "Leg" Match** on **May 14**. This is a chance to earn an NRA High-Power Classification on Saturday and earn "leg" points on Sunday toward the **Distinguished Rifleman Badge**. We expect a decent turn out for this Match, including a contingent from the **Washington Warriors Junior High-Power Team**, as it is the beginning of their prep season before the **National Matches** at **Camp Perry, Ohio**. If you are unfamiliar with the distinguished program, check it out on CMP's website:

<https://thecmp.org/competitions/distinguishedbadges/>

Long range has a **Palma Match** schedule for **May 19**, **20** and **21** and we will round out the center fire schedule with a **200/300 Yard Match** on **May 23**.

Hope to see some of you there! New shooters and spectators are always welcome and you will likely make a few new friends too!

The full schedule is available at

<https://www.tcsahighpower.org/>. You can see a full description of each Match on our website as well <https://www.tcsahighpower.org/match-descriptions>

SHOTGUN REPORT

By: Mark Monopoli

It's looking like we may skip right over Spring and head directly into Summer. Now that the **Shotgun Range is OPEN until 7:00 p.m. on Wednesdays**, it gives you more opportunities to come out and enjoy the Range and the nice weather, win win!

Another way to enjoy the perfectly manicured lawns of our little Range is to come out on Saturdays during the month of May for **Skeet League 2023!** League will be held on each Saturday during the month beginning on **May 6** and ending on **May 27**. We will be scoring 10 rounds of Skeet and you can shoot as many rounds in a day as you can handle. Cold gun, meaning if you shoot it, you score it, no warm-up rounds. Skeet League is a good time and if you don't crack under the pressure you can be immortalized for all time on the Skeet League Championship Trophy! Granted we will have to remember to take the plaque to the engraver and we still have last years to do, but don't you worry, it will get done! Eventually.

On the heels of Skeet League is the **2023 Edition of the Bird Shot Challenge!** This is a competition between Rattlesnake and the Walla Walla/Milton-Free-water crowd. **Saturday, June 3** we will travel to the East End Rod and Gun Club in the morning to shoot (50) 5-Stand targets. In the afternoon we will head over to the Walla Walla Gun Club to shoot a combination of Continental Trap Doubles and then a (50) bird Super Sporting course set by the likable **Larry Brown**. **Sunday, June 4** we will be at Rattlesnake all morning for (50) 5-Stand targets on a **Signature Phil Volkman** designed course, followed by the ever popular 30 Yard Skeet Crossers. You can come and shoot both days, or just one. If you want your score to contribute to the overall club score you do need to shoot both days. Every year this shoot proves to be a good time and the results are always close. Rattlesnake has won the last 4 years and we are looking to stretch that out to year 5! Fliers will be posted in the Shotgun Range House or shoot me an email if you have any questions!

The **1st Annual Don Klages Side-by-Side and Pump Gun Shoot** was a resounding success! 33 shooters from far and wide came out to put their trusty pump guns and side-by-sides to the test. The pump gun crowd was by far the largest with (28) shooters while the side-by-side shooters numbered a lowly (10). Now I know you all just did the math, and that 28+10 does not equal 33 shooters. Well, that's because (5) brave souls shot both disciplines. We saw a lot of new faces at the shoot, with shooters coming from Yakima and Walla Walla, as well as a lot of new faces from our local area. If you ask **Don Klages**, he will swear all the new shooters came to watch him in action, but when we conducted a poll most new shooters said, "Don who?" Sorry Don, poll numbers never lie. Either way, it was nice to see everyone come

out and shoot. The shoot was fun and the people were enjoyable, but **Deanna Klages** knocked it out of the park when it came to the lunch spread! There was enough food for the proverbial army. Thank you to Deanna, and to everyone else who helped with running the shoot.

In lieu of "**Hero of the Day**" this month, we're going to go with "**New Volunteer of the Month**". The recipient of this new, and made-up honor is none other than **Mike Inglima!** Big round of applause everyone! Mike was nice enough to volunteer to help keep the machines loaded with targets on the 5-Stand field this year. In the past **Phil Volkman** has done most of the work keeping 5-Stand up and running, so Mike's help is greatly appreciated. Do you want to be "New Volunteer of the Month"? It's pretty easy, you just need to volunteer, and then you can be a cool kid like Mike.

That's right, **5-Stand is OPEN!** Come join us on **Sunday mornings 9:00 a.m. to Noon**. The early part of the season the courses will be easier so we can all get acclimated to shooting it again before Phil drops the hammer on us.

Back to the volunteers, if you would like to help out around the Shotgun Range, we always have things to do. It is usually small stuff, and infrequent, but the sense of accomplishment doing something 97% of the shooters never notice can be overwhelming. Come join the fun, shoot me an email if you would like to be part of the "in" crowd.

Thank you to everyone. Everyone who volunteers, everyone who enjoys coming out to the Range and to everyone who **believes in, and exercises their Second Amendment rights**. Have a great month, and hopefully we will see you at the Shotgun Range soon.

**SHOTGUN RANGE IS CLOSED MAY 14
FOR MOTHER'S DAY**

SHOTGUN RSO INFORMATION

Remember current Membership Cards need to be presented **every time** a shooter signs in if they want to avoid the Daily Range Fee.

SHOTGUN RANGE HOURS

Wednesday – 9:00 a.m. to 7:00 p.m.
Saturday and Sunday -- 9:00 a.m. to 3:00 p.m.
