PRESIDENT'S REPORT

By: Mark Verwest

I would like to thank the TCSA Board, Discipline Boards and all of the RSO's that volunteer their time to making the Rattlesnake Mountain Shooting Facility the best Range in the Pacific Northwest. All of their efforts contribute to the smooth and efficient operation of our Range and are deeply appreciated.

Let's not forget to thank our forefathers for their wisdom and resolve that established this great Country and gave us the Constitution and Bill of Rights that guarantee our liberties and freedoms that we all enjoy. We must not forget that it is our responsibility to ensure that we maintain these rights and our liberties by adhering to the principles put forth in the Constitution and Bill of Rights.

The TCSA is looking to fill the position of Vice-President for the TCSA Board. Applicants must be an active Member for at least two consecutive years. Please contact me if you are interested in applying for the position.

Have a great Thanksgiving!

RSO TRAINING CLASS

By: Dan Martini

To get your name on the next RSO Training Class List, contact Dan Martini at dantini@charter.net You need to be a current member of the TCSA to become a RSO.

UPDATE: A RSO TRAINING CLASS HAS BEEN SCHEDULED FOR FRIDAY, DECEMBER 11 – CONTACT DAN FOR MORE INFORMATION.

ADVANTAGES OF BEING AN RSO

The advantages of being a RSO and obligating yourself as a volunteer at TCSA means that on days when the Range is not open to the general public - YOU - as a RSO can use the Range. Having gone through the RSO Training Class and volunteering your time you are able to go to the Range any time you like!

To become a TCSA RSO, you need to have and maintain your TCSA Membership, complete an 8-hour Class and volunteer to stand 3 days per year at the Rose-Iris General Purpose Range on a Wednesday, Friday, Saturday or Sunday. You choose which of those three days you will be able to meet.

For more information and to get your name on the list for the next RSO Class contact **Dan Martini** at dantini@charter.net.

HUNTER EDUCATION AND SAFETY ASSOCIATION

By: Randy Absolon

As noted last month, we will not be holding any more Classes in 2026. We anticipate that our next Course will be a **Traditional Class starting in mid-January of 2027**. We also expect to offer several **Field Skills Evaluations** in the March – May timeframe.

If you need a Class, check the WDFW website for all events statewide. There is typically higher demand for classes in the fall, so expect classes to fill up rapidly and anticipate having to travel farther to attend a class. Check back frequently because classes are often added.

RSOs using the HESA Range are expected to sign in at the Rose-Iris Range before going over to the HESA Range to shoot. You are also expected to clean up when you are done shooting, including returning target stands to the Rose-Iris Range House (not storing them in the porta potty) and picking up brass.

Always remember to treat every firearm as if it was loaded, control the direction of your muzzle, be sure of your target and what lies beyond it, keep your finger off the trigger until you are ready to shoot and unload firearms when they are not in use.

If you have questions about our Hunter Education Classes, contact me at: randyabsolon@gmail.com.

"WELCOME" NEW MEMBERS

Welcome! In this Newsletter you can find the contact information for the Board Members and contact information for the different Ranges. The Ranges were built and are maintained by volunteers. We encourage you to get involved and be a part of TCSA.

New members from this past month should have already received their membership card(s). If you have not received your card, contact **Sue Verwest** at membership@tcsa.info or 509.735.1662.

Check out our TCSA web site www.tcsa.info for a variety of information. The Newsletter is posted on the web site the beginning of each month.

Please keep in mind that shotshells are trash and should be collected and either hauled off or discarded.

When entering or leaving the Ranges during non-public hours, always make sure the gate is closed behind you.

When you receive a duty swap request, it will be a no reply email, so you will need to log into your website account to accept or decline the request. When you accept it on the website it will not only update the Range Duty Calendar, but will also send an email notification to both parties involved and to Sue Verwest and me.

COWBOY ACTION

By: Mike Ensminger

Match scores can be found on Practiscore.com, just search on "rattlesnake gulch" and you will get all of them.

Our next **Shoot** is scheduled for **November 28** – 9 a.m. start.

With winter weather liable to show up at any time, check before you drive out there if the forecast looks particularly ugly. We aren't often smart enough to cancel very far ahead of time, but if we do, we will update the calendar and plan to let the regulars know.

PRIMITIVE RANGE

By: Clint Bouslaugh

The **November Shoot** will be held on the **21st** from 9 a.m. until noon.

Hope to see you there!

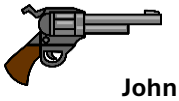

TCSA PUBLIC MEETING

RATTLESNAKE MOUNTAIN STEEL SHOOTERS

By: Mike Ensminger

We had 43 guns represented at the October Match and many thanks to **Brian, Dominik, John** and **Nelson** for stepping in and keeping the Match going while we were out of town. Hated to miss it, but at least it was to shoot a match elsewhere, so the weekend was not a waste.

Our next **Match** will be **November 1** and you'll all get an extra hour sleep when Daylight Savings ends Saturday night.

Please plan to sign up at the Range by 9 a.m. so we can kick off the shooter's meeting by 9:15. Even if you are pre-squadded, the computer entries cannot happen till we get you signed in at the Range.

To make sure you get to shoot with your group, send us an email ahead of time (mikeberta4@gmail.com) with names and 1 or 2 guns each and we will start a squad for you.

Scores can be found on Practiscore.com under "Rattlesnake Mtn Steel Shooters".

PRS-22 MATCH

By: Scott Downing

We hosted the October 2026 **NRL22 Match** on the 18th. 3 shooters attended. Trophy winners were **Mike Pokrifchak** and **Josh Alms**.

Next month we will be hosting a another **NRL22 Match** on November 22. We hope to see you there.

SAFE SHOOTING SPORTS FOR YOUTH

By: Dave McNeal

IN OCTOBER

We had eleven shooters for the October 10 **Youth 25/50 Yard Smallbore Match**. **Liam McNeal** was high shooter at 50 yards with 197 7X. He was followed by **River Revis** with 184 2X and **Jared Potter** at 183 2X. **Clayton Revis** won at 25 yards with 198 11X and **Drake Schut** had 196 7X. **Drazen Brown** received the **SAFE SHOOTING SPORTS FOR YOUTH 5 STAR PARTCIPANT AWARD** and **River Revis** qualified for that award to be presented at the next Event.

The October 25 **Rimfire Sporter Match** was set aside because we had only two shooters with previous match experience. Instead, we conducted two shoots at 25 yards to introduce a couple of brand new shooters to riflery. The first event was a **25-Yard Smallbore Match** following our regular protocol. **Andrea Domingos** shot 177 1X and won her second **Phil Keuhlen Memorial Medallion** of the year. **Gale Wilber** shot 175 in her first Match. **Liam McNeal** was disqualified because he shot with a sling rather than from a rest. The second event was sustained fire at the **CMP Rimfire Sporter Target**. Scores could not be calculated due to the level of tattering in the black as well as in the 10 Ring.

Thanks to **Dave Elegy, Ron Jorgensen, Bob Tucker, Mike Bunch** and **Mike Winkel** for providing RSO support throughout the 2026 Youth Rifle Match Season. And thanks to **Mariana Marquez-Sital** for bringing scouts of **Troop 100** into our safe shooting sports circle.

IN NOVEMBER

November 8 – Youth Free Shotgun Sunday - Instruction and shooting start at noon at the Shotgun Range. Shooters bring a shotgun and some shells and an adult and shoot two rounds of clay pigeons.
Please RSVP to president@tcsashotgun.com

AND… on November 8 - Firearms Safety Training for Youth and Their Families - 3:00 p.m. at Shotgun Range House. Young people and their families who may have no experience, some experience, or extensive experience in handling and shooting firearms can benefit from learning or reviewing basic and advanced lessons to build and instill good habits that can lead to enjoyable recreational shooting and prevention of accidents and tragedies. This session will be an opportunity to learn and/or to enhance your ability to practice safe methods of handling, shooting, owning and storing firearms. Facility accommodations are limited, so **please pre-register by November 4** at tcsayouth@tcsa.info indicating the number in your party. We can schedule additional sessions if necessary.

Please let us know of additional events that you would like to see presented to attract more youth participation. We will plan for more shooting as well as indoor activities as we move into the cooler months.

Youth 17 and under shoot for free and must be accompanied by an adult. Loaner rifles and ammunition are available for the .22 Events.

You can learn more about these Events at:
https://www.facebook.com/profile.php?id=61586545546901&sk=about

If you have questions or comments about Safe Shooting Sports for Youth, email:
TCSAYOUTH@TCSA.INFO

ALL MEMBERS MUST show a current **Membership Card** to the RSO on duty upon arrival at the **Range.** Membership Cards need to be shown at **all Ranges** and **all Events or you will be required to pay the non-member Range Use Fee**. **EVERYONE must sign-in!**

RSO ACCESS KEY CARDS and RSO BADGES are not to be used in place of or as a substitute for your Membership identification card.

KEEP THE RANGE CLEAN

Keep YOUR Range clean of trash and spent cartridges. Garbage cans are available. Please be sure the enclosure tops are closed so the garbage can't blow out. Buckets are provided for spent cartridges. Take a moment to clean up after yourself when you are done shooting.

SHOTGUN REPORT

By: Mark Monopoli

Happy Halloween and Thanksgiving! The first one may be over before you read this and the second one seems like it's a little too early. In reality we're just under a month away from Thanksgiving Festivities. 2026 is coming to a close quickly.

Before we go too far, I would like to say congratulations to our very own **Matt Lynn** for his strong performance at the NSCA Nationals this past week in San Antonio, Texas. **Matt is your B-Class 2026 NATIONAL CHAMPION in FITASC and PUMP GUN!** Great shooting Matt and thanks for representing Rattlesnake! To add a little perspective there were a total of 2612 shooters registered for the event, with 857 of them being in B Class. Nationals is always a big event and to win any of the classes is a big accomplishment. Once Matt's publicist irons out his tour dates we will have an autograph signing day out at the range. $20 cash will get you a signed 8x12 glossy of Mr. Lynn.

With the oncoming holidays, Rattlesnake will also once again host our ever-popular **Turkey** and **Christmas Fun Shoots.** As with every year, look for the games to take place on the Sunday before each holiday. Shooting starts at 9:00 a.m. sharp and we go until the last shooter has had enough. Lunch will once again be provided. These shoots are open to everyone from the beginner to the "professionals" of the fun shoots. Come join us for a great time.

UPCOMING SHOOTS AT RATTLESNAKE

Cancelled	**PITA Multiplex Trap Shoot**	
November 1	**100 Bird Trap Shoot**	**8:45 a.m.**
November 8	**50 Bird Skeet Shoot**	**8:45 a.m.**
November 8	**Free Youth Shotgun**	**Noon**
November 15	**50 Bird 5-Stand Shoot**	**8:45 a.m.**
November 22	**TURKEY FUN SHOOT**	**8:45 a.m.**
December 20	**CHRISTMAS FUN SHOOT**	**8:45 a.m.**

One shoot that will be missing from the November Calendar is the **PITA Multiplex** shoot. **David Russie** will be out of action that weekend, but look for the Multiplex to return in December.

The Shotgun Range has completed to changeover to the new card system. There were some wiring issues that needed to be cleaned up, but I believe they have all been taken care of. The system seems to be working pretty well, and except for our Starlink system suffering a catastrophic failure, it has been pretty smooth sailing.

We do our best to keep target costs low for members and non-members alike. One way we do that is by keeping our "loss" at a minimum. Our "loss" is the difference between the birds that are paid for vs the birds that are actually thrown. When you go out to shoot, you are entitled to shoot (25) birds as part of a round, no more and hopefully no less. If excess birds accumulate on the counter, those are NOT your birds to shoot. Please be mindful of this and help us maintain our low cost per round.

With the holiday season oncoming we are getting the Range ready for the winter months. **Ed Vanderveer** has once again volunteered to blow out the sprinkler system. **Dave Otto** was also kind enough to get the edger put away for winter as well. There are still opportunities to volunteer around the Range though as the fields still need to be cleaned and targets still need to be loaded into the various trap and skeet houses.

Having said that, we need more people to step up and help out with the weekly/monthly chores as our current group is showing signs of burn-out. In the absence of more people volunteering to clean fields and such we may be forced to increase the amount of volunteering required to maintain access to shoot at the range during off hours. It takes a fair amount of work to keep the Shotgun Range looking good and it really takes a small commitment to make a big difference. We would rather not go this route, but it is trending in that direction. And no, Life Members will not be immune to this change at Shotgun.

Thanks to **Kendrick Rex**, Shotgun played host to the **HERO** group for a **Friday Night Blacklight Shoot**. In total (38) shooters were introduced to the fun and challenging task of shooting glowing targets on a beautiful fall evening. Shooting started at 7:00 p.m. and I believe the last group finished at 11:00 p.m. That was a long night. Thank you to **John Wilgus, Rick Poehls, Mike Inglima** and **David Russie** for sticking it out to the bitter end. Honorable mention to **Andrew Gould** and **Don Klages** for helping set up for the shoot. Look for more night shoots later this year available to TCSA members.

Monthly shoot winners for October are as follows. **John Wilgus** and **Jay Judy** finished 1st and 2nd respectively for the Trap Shoot. John shot a 90/100 while Jay shot an 88/100.

John Wilgus also took first place in the Skeet Shoot with a 48/50 while **Mark Monopoli** and **Lindsay Nelsen** tied for 2nd with 47/50 scores.

5-Stand was a touch difficult as we moved up to Trap Field #2 to try out some birds for the previously mentioned night shoot. For some reason, it was a hard course on that Sunday. **Jay Judy** and **John Wilgus** were once again the class of the field, just with the results reversed this time around. Jay took 1st Place with a score of 35/50 while John took 2nd Place with 33/50. Like I said, it was a difficult course while the clipboard was out.

If you are looking to attend a shoot that is taken just serious enough that we keep score, and you have a very really chance of winning your entry back, these are the shoots for you. There are (4) winners at each and every shoot. That makes for (12) winners per month. Just a little math flex for you there.

Have a great month everyone!

300 LONG GONG SHOOT

By: Mark Jaeger

The 300 Long Gong Shoot on October 25 was under-attended. Actually, it was the situation where "You throw a party and no one shows up".

The host (Mark Jaeger) shot a personal best and dismantled the setup in quiet isolation. Actually, while cool, the wind was the most favorable of all the previous shoots this year.

As this shoot has been only lightly attended all year the **November 29 Match is now cancelled**.

HIGH-POWER

By: Dave Baalman

Where the heck did October go? It's the time of year when the Match Schedule is pretty clear, so there will be plenty of opportunity to use the Range for your late big game season sight in etc. Make sure to check the schedule before you head out though, there are a few Events still coming up.

Upcoming schedule for November is smallbore heavy. We've got **Vintage Smallbore November 5**, **50 Yard USBR Smallbore November 10** and **NRL22 November 22**.

Looking back at the last month of Matches, at the September 29 **Mini-Palma**, there was nice weather until the shooting began, but at least the wind was consistent with only moderate gusts. **Mike Bunch** was Match winner with a perfect 450-39x followed close behind by **Glen Clifford** (448-37x) and **Ben Cook** (448-32x).

At the October 2 **Vintage Smallbore**, there was hardly any wind and a large turnout. 11 shooters came out to enjoy the Match but one had firearm problems and had to withdraw. Out of the 10 shooters that competed, seven perfect scores were posted. **Glen Buxton** was the Match winner with a 400-38x, **Tom Halecki** was 2nd with a 400-34x count and hitting the tie breaker dot beating out **Glen Clifford** also shooting a 400-34x placing him 3rd. Other perfect scores fired were **Lisa Bunch, Mike Bunch, Kirk Rapport** and **Chris Rhynalds**.

The October 6 **Dewar Match** was also great weather, with **Ben Cook** winding up with both match win and high card (400-30x & 200-16x). **Glen Buxton** was second (399-36x) and **Glen Clifford** was third (399-24x).

The October 16 **ARA Match** had almost perfect weather conditions. We had 3 shooters scoring over 4000 pts combined. **Ben Cook** was Match winner and high card, **Tom Halecki** 2nd and **Glen Clifford** 3rd. This Match concludes our 2026 ARA season, Special congratulations to **Ben Cook** who won every ARA Match this year.

Our Annual Schedule Meeting for Match Directors will be coming up soon. Match Directors watch your email for time and place.

The full schedule is available at https://www.tcsahighpower.org/. You can see a full description of each match on our website as well https://www.tcsahighpower.org/match-descriptions

EWPSA will be hosting:

Monthly 2-Gun Match November 7. EWPSA's Monthly 2-gun match. Note that we are back to 9:30 a.m. match starts. Registration opens at 9 a.m. We'll have a shooter's meeting and new shooter's at 9:20 a.m. and get started shooting at 9:30 a.m. The Match is $25 for non-members and $20 for TCSA members and setup/teardown staff shoots for free. Setup starts at 7:30 a.m. Typically, 3-4 stages and 150 rounds rifle and 150 rounds pistol. Reminder that no green tip, iron core, AP, incendiary, or other TCSA banned ammo is permitted. Questions? Email ewpsa.multigun@gmail.com

USPSA Monthly Match November 15. Gates open at 9:00 a.m. New Shooters briefing at 9:30, shooters meeting at 9:45, shooting begins at 10:00 a.m. The Match cost is $20 TCSA members / $25 non-members. More details on Practiscore.

Action 2-Gun Match November 21. EWPSA's second Action 2-gun match of 2026. Action Matches are 4-stage 2-Gun Matches where every stage is physically challenging. You may have to throw or carry 50 lb. kettlebells, carry 60-80 lb. sandbags or do lots of sprinting. The shooting difficulty is also a bit higher and the par times tighter. You MUST have a sling for your rifle to compete. These Matches historically run a bit longer than regular 2-Gun as well, so plan accordingly. Registration opens at 9 a.m. The Pistol Bays Gate will be open for you. We'll have a shooter's meeting and new shooter's brief around 9:20 a.m. and get started shooting around 9:30 a.m. The Match is $25 for non-members and $20 for TCSA members and setup/teardown staff shoots for free. Setup starts at 7:30 a.m. Typically, 3-4 stages and 150 rounds rifle and 150 rounds pistol. Reminder that no green tip, iron core, AP, incendiary, or other TCSA banned ammo is permitted. Questions? Email ewpsa.multigun@gmail.com

It is the **veteran**, not the preacher,
who has given us freedom of religion.

It is the **veteran**, not the reporter,
who has given us freedom of the press.

It is the **veteran**, not the poet,
who has given us freedom of speech.

It is the **veteran**, not the campus organizer,
who has given us freedom to assemble.

It is the **veteran**, not the lawyer,
Who has given us the right to a fair trial.

It is the **veteran**, not the politician,
Who has given us the right to vote.

Did you know… If you are a **Member of TCSA** this is **your** Range! TCSA is made up of all volunteers: **Board Members, Range Safety Officers, Discipline Heads, the volunteers who clean up the Range and volunteers who show up for the work parties.** We have volunteers maintaining the **web site, teaching range safety officer classes, repairing targets, maintaining the ranges;** the list goes on. What you see is because of the **members who volunteer**! These volunteers all pay their yearly membership dues and then "step up to the plate" to help make the **Rattlesnake Mountain Shooting Facility** a safe, family friendly place to shoot. Attend a Monthly General Meeting and meet some of the people who make the Range possible. Do you see something that needs to be done? Perhaps it is **your turn to volunteer** your time or talent! Your reward is a safe, clean place to shoot and the chance to meet some great people!

To ALL our VOLUNTEERS – THANK YOU!
