

# TCSA Firearm Safety Trainer Approval Request Form

Individuals wanting to provide firearm safety training at the Rattlesnake Mountain Shooting Facility (RMSF) will complete and submit this form to the TCSA CRSO for approval prior to scheduling or conducting training on any RMSF properties.

## Minimum requirements:

Companies and their trainers must have a current four-million-dollar liability insurance policy that covers all aspects of their proposed training activities.

Companies and their trainers will be contracted by the TCSA to offer and provide training. The TCSA will collect all training fees and will reimburse the contractor after completion of the training. The TCSA will at a minimum, retain the \$10 Range Use Fee plus taxes for each of the trainees attending their training. Trainee attendance will be documented on the TCSA's Event Form.

Each trainer will be a current TCSA Certified Range Safety Officer with the appropriate Range Use training requirement (e.g. HP, Shotgun, Pistol Bays).

Name of Company/Individual: \_\_\_\_\_

Tax ID #: \_\_\_\_\_ Company Owner: \_\_\_\_\_

Name of Insurance Company: \_\_\_\_\_
