FIRST SHOTS,[®]

An introduction to Safe Handgun Shooting

Tri-Cities Shooting Association is teaming with the National Shooting Sports Foundation First Shots program to host shooting seminars to be held at the Tri-Cities Shooting Association's Rattlesnake Mountain Shooting Facility on Saturday, May 9th, 2020.

FIRST SHOTS[®] Seminars will start at 10:00 AM and 1:00 PM. Each will start with a 2 hour introduction to the safe handling and firing of handguns.

The 2 hour introduction will be followed by a hands-on phase of the program where participants will actually shoot .22 caliber revolvers and semi-auto pistols with one-on-one help and supervision by Tri-Cities Shooting Association Range Safety Officers.

Upon completion, participants will also have the opportunity to try out a variety of center-fire handguns.

There is no cost to participants (i.e., FREE).

See details on the front page to register for this fun and exciting event.
